of the drawing of the Grand State Lottery No. 13676 a prize of 4685 a prize of

And 198 prizes of... 12 each When it is recollected that out of the stupendous amount of \$187,826 contained in this splendid scheme, only \$2526 escaped at this drawing, it may be considered as an insignificant one indeed. The peculiar attractions of this magnificent lottery would seem to increase geometrically as the draw.

ings progress. Only two more drawings now remain to complete the distribution of the following brilliant prizes, all of which are now floating and of course liable to be drawn at any time, viz.

1 prize of \$100,000

1 prize of do 10,000 5.000 do 1,000 do Besides a multitude of 100s, 50s, & 12s,

Amounting in the aggregate to the overwhelming sum of \$185,300! Besides the unparallelled inducements which this magnificent lottery presents to adventurers, the fact that the payment of all its prizes is guaranteed by the state of Maryland is a circum stance which entitles it to superior consideration.

Hair Restorative

And Preservative Vegetable Cerale. FACTS ARE STUBBORN THINGS.

THINGS.

I have now in my possession a certificate from a gentleman to whom reference will be given to those who wish positive proof of the powerful effect of the Hair Cerate. In this case fect of the Hair Ceraso. an one case a large space on the head was perfectly bald, but now, wonderful to behold, it is covered with a beautiful, strong thick crop of hair; and this rapid vega tation came to perfection in about two months by the use of not quite two boxes of the Vegetable Hair Cerate bought at my shop I therefore, in full confidence recommend it to the public, that by attending to the method prescribed for using it, they will not be disappointed in their expectations.

JOHN LOVE.

Sole Agent for the state of Maryland.

March 22.
More proof of the wonderful effects of the Vegetable Hair Restorative Cerate, which I have just received in the following certificates from New York, &c. Northampton county, Penn. Jan. 22.

1824. Having observed in the Baltimore and Philadelphia papers the wonderful effects the Vegetable Cerate has produced on numbers of persons, and having the misfortune to lose my hair about two years ago, I purchased some of the article and made use of it according to the directions, and in a. bout four months I had an elegant coat of hair, and I can safely say it is one of the greatest discoveries ever made as it respects restoring the hair.

JAMES WOOD. Long-Island, March 25, 1821. saw in the New York Patriot a remedy for the hair, called the Vegetable Cerate, and being bald on the top of my head, I purchased a box, and after using about three-quarters of it, I perceived my hair coming out; I shaed it off according to the directions, still using the Cerate, and in about

I have, therefore, no hesitation in recommending it to the public. J. GARDNER. New York, March 20, 1824,

As I had heard from numbers of persons the great benefit they had re-ceived from the use of the Vegetable Cerate, and having lost nearly all my hair, and tried every thing to restore it without effect, I purchased some of the Cerate of Dr James H. Hart. and continued its use about three or four months, and found it answered the most salutary effects. To those who are desirous of preserving and restor-ing their hair, I therefore cheerfully recommend it to the public in general in the highest terms.
WILLIAM PATTEN.

North-Moore street, March 1, 1824; With the greatest satisfaction, I do recommend the Vegetable Cerate. Having lost almost all my hair, by its falling off, I made use of the Vegetable Cerate and found the greatest benefit, it has cured my hair entirely, not only that, it softens the hair, and gives it a most elegant glossy appear-

Dr. James H. Hart of New York, is well acquainted with me, and can testify to the above.
ELIZABETH HUGHES.

TO THE PUBLIC.—In justice to the discoverer of the celebrated Hair Restorative and Preservative Vegetable Cerate, [which is advertised in this paper] as well as for the benefit of such as may be afflicted with the loss of hair, I feel it my duty to give publicity to the following facts. About four years ago my hair all came out and left my head entirely bald; I used a great variety of means, among hich were all the imported are generally used for restoring the hair, to restore it again, without effect Having seen the Vegetable Cerata last summer, I procured some of it, and, after using it about four months, night and morning, my head is now covered with a beautiful and vigorous growth of hair. It has had the desired effect with me, and I earnestly recommend it to those who have unfortunately lost their hair, as being the only effectual restorative now in use. WILLIAM SMITH,

Of Burlington county, N. 3

Newark, March 12, TO THE LADIES. New York, Varick st. Feb. 20, 1824. As it respects the Vegetable Cerate that has been published in our New York papers for this sometime past, and the many benefits it has produced on various persons, I therefore purchased some of the article to try its effect, and I can safely say, it is the effect, and I can safely say, it is the only thing that has ever been of benefit to me, it not only prevents the hair from falling off, but given the most stubborn hair a most beautiful natural curl, and I highly recommend it is all the ledies in the highest terms.

The original topies of the preceding tificates, can be seen at the store of James H Hart, corner of Chimber and Broadway, New York.
