EIGHTH REPORT
of the drawing of the

Grand State Lottery
No. 15676 a prize of \$100
4685 a prize of 50
And 108 prizes of 12 each

When it is recalled that out of
the stupendous amount of \$127,826
contained in this splendid scheme,
only \$2526 escaped at this drawing,
it may be considered as an insignificant
one indeed. The peculiar attractions
of this magnificent lottery would seem
to increase geometrically as the draw-
ings progress.

Only two more drawings now re-
main to complete the distribution of
the following brilliant prizes, all of
which are now floating and of course
liable to be drawn at any time, viz.

- 1 prize of \$100,000
- 1 do 20,000
- 2 do 10,000
- 1 do 5,000
- 7 do 1,000

Besides a multitude of 100s, 50s, & 12s,
Amounting in the aggregate to the
overwhelming sum of \$185,300! Beside
the unparalleled inducements
which this magnificent lottery presents
to adventurers, the fact that the pay-
ment of all its prizes is guaranteed by
the state of Maryland, is a circum-
stance which entitles it to superior
consideration.

DECISIONS
OF THE
**COURT OF APPEALS OF MARY-
LAND.**

Shaw & Gambrill,
ANNAPOLIS,

Propose to Publish by Subscription,
THE DECISIONS
OF THE COURT OF APPEALS
OF MARYLAND,
To be Reported by Thomas Harris,
Esquire, Clerk of the Court of Ap-
peals, and Reverdy Johnson,
Esquire, Attorney at Law.

These Decisions will form a continuation
of the first volume of Reports already pub-
lished by Messrs Harris and Johnson,
which closes with the year 1805. It is
proposed to publish the Decisions in a Se-
ries of Numbers, each to contain not less
than one hundred and twenty five pages,
and four numbers to constitute a volume.
The last number of each volume will con-
tain a full and complete Index. This mode
of publication, it is conceived, possesses ad-
vantages which give it a decided preference
to that of publishing the Reports in bulky
volumes. It ensures the earlier publication
of the Reports, and as not more than four
numbers will be published in a year, the ex-
pense will not be so sensibly felt.

TERMS.
The price of each number of the Reports
will be \$ 25, payable on delivery.
Subscriptions to the above Work are
received at Shaw & Gambrill's Store, the
Maryland Gazette Office, and the respec-
tive Offices of the County Clerks of this
state.

syphilis, or affections arising there-
from; ulcers in the larynx, nodes, &c.
And that dreadful disease occasioned
by a long and excessive use of mer-
cury, &c. It is also useful in diseases
of the liver."

CERTIFICATES.
I have within the last two years
had an opportunity of seeing several
cases of very inveterate ulcers, which
having resisted previously the regular
modes of treatment, were healed by
the use of Mr Swaim's Panacea, and
I do believe, from what I have seen,
that it will prove an important reme-
dy in scrofulous, venereal and mercuri-
al diseases.

N. CHAPMAN, M. D.
Professor of the Institutes and
Practice of Physic in the University
of Pennsylvania.
I have employed the Panacea of
Mr Swaim in numerous instances,
within the last three years, and have
always found it extremely efficacious
especially in secondary syphilis, and
mercurial disease. I have no hesita-
tion in pronouncing it a medicine of
inestimable value.

Hair Restorative
And Preservative Vegetable Cerate.
FACTS ARE STUBBORN

THINGS.
I have now in my possession a cer-
tificate from a gentleman to whom
reference will be given to those who
wish positive proof of the powerful ef-
fect of the Hair Cerate. In this case
a large space on the head was perfect-
ly bald, but now, wonderful to behold,
it is covered with a beautiful, strong,
thick crop of hair; and this rapid ve-
getation came to perfection in about two
months by the use of not quite two boxes
of the Vegetable Hair Cerate bought at
my shop. I therefore, in full confidence
recommend it to the public, that by at-
tending to the method prescribed for
using it, they will not be disappointed in
their expectations.
JOHN LOVE,
Sole Agent for the state of Maryland,
March 22.

More proof of the wonderful effects of
the Vegetable Hair Restorative Cerate,
which I have just received in the follow-
ing certificate from New York, &c.
Northampton county, Penn. Jan 22,
1824.
Having observed in the Baltimore
and Philadelphia papers the wonder-
ful effects the Vegetable Cerate has
produced on numbers of persons, and
having the misfortune to lose my hair
about two years ago, I purchased
some of the article and made use of it
according to the directions, and in a
bout four months I had an elegant
coat of hair, and I can safely say it is
one of the greatest discoveries ever
made as it respects restoring the hair.
JAMES WOOD.

Long-Island, March 25, 1824.
I saw in the New York Patriot a
remedy for the hair, called the Vega-
table Cerate, and being bald on the top
of my head, I purchased a box, and
after using about three-quarters of it
I perceived my hair coming out, I in-
creased it off according to the direction,
still using the Cerate, and in about
three months I had a fine head of hair;
I have, therefore, no hesitation in re-
commending it to the public.
J. GARDNER,
New York, March 20, 1824.

As I had heard from numbers of
persons the great benefit they had re-
ceived from the use of the Vegetable
Cerate, and having lost nearly all my
hair, and tried every thing to restore
it without effect, I purchased some of
the Cerate of Dr. James H. Hart, and
continued its use about three or four
months, and found it answered the
most salutary effects. To those who
are desirous of preserving and restor-
ing their hair, I therefore cheerfully
recommend it to the public in general
in the highest terms
WILLIAM PATTEN.
North-Moore street, March 1, 1824.

With the greatest satisfaction, I do
recommend the Vegetable Cerate.
Having lost almost all my hair, by
its falling off, I made use of the Vega-
table Cerate and found the greatest
benefit, it has cured my hair entirely,
not only that, it softens the hair, and
gives it a most elegant glossy appear-
ance.
Dr. James H. Hart of New York,
is well acquainted with me, and can
testify to the above.
ELIZABETH HUGHES.

TO THE PUBLIC.—In justice to
the discoverer of the celebrated Hair
Restorative and Preservative Vegeta-
ble Cerate, [which is advertised in this
paper] as well as for the benefit of
such as may be afflicted with the loss
of hair, I feel it my duty to give
publicity to the following facts: About
four years ago my hair all came out
and left my head entirely bald; I used
a great variety of means, among
which were all the imported oils that
are generally used for restoring the
hair, to restore it again, without effect.
Having seen the Vegetable Cerate
last summer, I procured some of it,
and, after using it about four months,
night and morning, my head is now
covered with a beautiful and vigorous
growth of hair. It has had the desired
effect with me, and I earnestly re-
commend it to those who have unfor-
tunately lost their hair, as being the
only effectual restorative now in use.

WILLIAM SMITH,
Of Burlington county, N. J.
Newark, March 12.

TO THE LADIES.
New York, Varick st, Feb. 20, 1824.
As it respects the Vegetable Cerate
that has been published in our New
York papers for this sometime past,
and the many benefits it has produced
on various persons, I therefore pur-
chased some of the article to try its
effect, and I can safely say, it is the
only thing that has ever been of bene-
fit to me, it not only prevents the hair
from falling off, but gives the most
stout and beautiful natural curl, and I
highly recommend it to all the ladies
in the highest terms.
ANN TILGHAN.
The original copy of the preceding cer-
tificates, can be seen at the store of Dr.
James H. Hart, corner of Chancery
and Broadway, New York.
