

W. C. CONINE,

Tenders to his friends, patrons, and public generally, his sincere acknowledgments to the munificent patronage extended to him in the Second Class of the Maryland State Lottery, and does himself the pleasure now of presenting the Third Class of said Lotteries, wherein he calculates, with liberal support, to have the satisfaction of distributing among adventurers, a large number of valuable prizes.

The scheme surpassing in magnitude that of any lottery at present in the United States, it is expected will elicit general approbation, from the brilliancy of its capital, the great number of valuable prizes contained in it, and the comparatively low rate of tickets.

The certain and punctual payment of prizes is as in preceding Maryland State Lotteries guaranteed by the state.

DECISIONS

OF THE COURT OF APPEALS OF MARYLAND.

Shaw & Gambrill, ANNAPOIS.

Propose to Publish by Subscription,

THE DECISIONS

OF THE COURT OF APPEALS OF MARYLAND.

To be Reported by Thomas Harris, Esquire, Clerk of the Court of Appeals, and Reverdy Johnson, Esquire, Attorney at Law.

These Decisions will form a continuation of the first volume of Reports already published by Messrs Harris and Johnson, which closes with the year 1805. It is proposed to publish the Decisions in a Series of Numbers, each to contain not less than one hundred and twenty five pages, and four numbers to constitute a volume. The last number of each volume will contain a full and complete Index. This mode of publication, it is conceived, possesses advantages which give it a decided preference to that of publishing the Reports in bulky volumes. It ensures the earlier publication of the Reports, and as not more than four numbers will be published in a year, the expense will not be so sensibly felt.

TERMS.

The price of each number of the Reports will be \$25, payable on delivery.

Subscriptions to the above Work are received at Shaw & Gambrill's Store, the Maryland Gazette Office, and the respective Offices of the County Clerks of this state.

50 Dollars Reward.

Ran away from the subscriber living near Tracer's Landing, Anne Arundel county, Md. on the 15th instant, a negro man, named

SIMON,

but commonly called CV, a bright mulatto, five feet five or six inches in height, stout made, aged about twenty five years. He left home in company with several others, for the purpose of going to a Camp Meeting, on Holland's Point, intending, if practicable to cross from thence to the Eastern Shore—Should he not have succeeded in getting across the Bay, he is probably either in Calvert or St. Mary's county; he has been in and about Annapolis, as I have been informed. Had on a blue cloth coat, white pantaloons, and a fur hat nearly new; had also a bundle of other cloths with him. The above reward will be given if taken out of the state—thirty dollars if taken in the county—and fifteen dollars if taken in the county, and secured so that he may be returned.

J. SHINN'S Panacea.

The subscriber having discovered the composition of SWAIMS celebrated Panacea, has now a supply on hand for sale; he has reduced the price from \$3 50 to \$2 50, or by the dozen \$24.

All charitable institutions in the U. States, and the poor, will be supplied gratis.

If the citizens of the principal towns, will appoint an agent to order and distribute this medicine to the poor, it will be supplied.

This medicine is celebrated for the cure of the following diseases, "scrofula or king's evil, ulcerated or putrid sore throat, long standing rheumatic affections, cutaneous diseases, white swelling, and diseases of the bones, and all cases generally of an ulcerous character, and chronic diseases generally arising in debilitated constitutions, but more especially from syphilis, or affections arising therefrom; ulcers in the larynx, nodes, &c. And that dreadful disease occasioned by a long and excessive use of mercury, &c. It is also useful in diseases of the liver."

CERTIFICATES.

I have within the last two years had an opportunity of seeing several cases of very inveterate ulcers, which having resisted previously the regular modes of treatment, were healed by the use of Mr Swaim's Panacea, and I do believe, from what I have seen, that it will prove an important remedy in scrofulous, venereal and mercurial diseases.

N. CHAPMAN, M. D.

Professor of the Institutes and Practice of Physic in the University of Pennsylvania.

I have employed the Panacea of Mr Swaim in numerous instances, within the last three years, and have always found it extremely efficacious especially in secondary syphilis, and mercurial disease. I have no hesitation in pronouncing it a medicine of inestimable value.
