Esquire, Attorney at Law. These Decisions willform a continuation of the first volume of Reports already published by Messrs Harris and Johnson, which closes with the year 1.05. It is proposed to publish the Decisions in a Series of Numbers, each to contain not less than one hundred and twenty five pages, and four numbers, to constitute a volume. The last number of each volume will conain a full and complete Index. This mode of publication, it is conceived, possesses advantages which give it a decided preference to that of publishing the Reports in bulky valumes It ensures the earlier publication of the Reports, and as not more than four numbers will be published in a year, the expense will not be so sensibly felt.

I have within the last two years and an opportunity of seeing several cases of very inveterate ulcers, which having resisted previously the regular modes of treatment, were healed by the use of Mr Swaim's Panacea, and I do believe. from what I have seen. that it will prove an important remedy in scrofulous, venereal and mercurial discases.

N. CHAPMAN, M. D. Professor of the Institutes and of Pennsylvania.

I have employed the Panacea of Mr Swaim in numerous instances, within the last three years, and have always found it extremely efficacious especially in secondary syphilis, and mercurial disease. I have no hesitation in pronouncing it a medicine of

inestimable value.
