Annapolis and Baltimore PACKET. THE SLOOP

George Washington, Built by the late Capt John Barber, expressly for a Packet, has lately been painted and fitted up in a commodious tyle for the accommodation of pas sengers, and conveyance of freight between this city and Baltimore. This has been attended with considerable expense, which must be defrayed by the profits arising from the business of this vessel only—the subscriber-no longer holding an interest in the work of the other boat, the partnership connexion between the two having been dissolved. Under these circumstances, the subscriber solicits for the Sloop the support of a liberal public, and more particularly the encourage ment of those friends, who in the lifetime of the former owner, gave a preference to the sloop

Careful and experienced hands are employed to navigate this vessel, under the sumediate superintendance of the son of the subscriber, John T. Barber, who will execute with pleasure and faithfulness, any business with which lie may be entrusted.

Farmers, planters and others, residing on navigable branches of the Chesapeake, who may wish to transport Grain, Tobacco, or other commodities to the Baltimore market, can at a li short notice, and on moderate terms. have the use of the sloop for this pur pose. The Sloop is staunch and new. and is considered as safe a vessel as any one belonging to this Bay. S BARBER.

I have within the last two years had an opportunity of seeing several cases of very inveterate ulcers, which having resisted previously the regular modes of treatment, were healed by the use of Mr. Swaim's Panacea, and do believe, from what I have seen, that it will prove an important reme-dy in scrofulous, venereal and mercurial diseases.

N. CHAPMAN, M. D.

I have employed the Panacea of Mr Swaim in numerous instances, within the last three years, and have always found it extremely efficacions especially in secondary syphilis, and mercurial disease. I have no hesitation in pronouncing it a medicine of inestimable value.
