Annapolis and Baltimore PACKET. THE SLOOP

George Washington, Built by the late Capt John Barber, expressly for a Packet, has lately been painted and fitted up in a commodious style for the accommodation of passengers, and conveyance of freight between this city and Baltimore. This has been attended with considerable expense, which must be defrayed by the profits arising from the business of this vessel only - the subscriber no longer holding an interest in the work of the other boat, the partnership connexion between the two having been dissolved. Under these circumstances, the subscriber solicits for the Sloop the support of a liberal public, and more particularly the encouragement of those friends, who in the lifetime of the former owner, gave a preference to the sloop.

Careful and experienced hands are employed to navigate this vessel, under the immediate superintendance of the son of the subscriber, John T. Barber, who will execute with pleasure and faithfulness, any business with which he may be entrusted. Farmers, planters and others, residing on navigable branches of the Chesapeake, who may wish to transport Grain, Tobacco, or other commodities to the Baltimore market, can at a short notice, and on moderate terms, have the use of the sloop for this purpose. The Sloop is staunch and new and is considered as safe a vessel as any one belonging to this Bay. S. BARBER. Annapolis Sep 23. 6w.

Advertisement. Postponement of the Maryland Cattle Show - for the Western Shore. This great annual festival of our farmers has been postponed to the 23d and 25th of Nov. Various considerations led to the adoption of this measure - first, the days previously fixed upon, had proved to be on the days of the yearly meeting of Friends in this city - and it has always been a matter of particular pleasure to the members of the Society, as well as an eminent advantage to the Institution, that its objects have been approved and patronized by that industrious and most exemplary class of our citizens. It was thought, too, that the number of recent occasions for bringing the people from the country, and especially the all-absorbing curiosity to see, and desire to pay respect to the "Nation's Guest," would prevent many from so soon leaving their homes again, and finally when Gen La Fayette accepted the Diploma of Member of our Society, he claimed for himself the honour of being a practical agriculturist, and declared his partiality for its pursuits - and expressed a strong desire to be present at our next exhibition; when if he can attend, as it is hoped and expected he may, the premiums will be delivered by his hand, to the fortunate competitors, with an inscription to that effect - Under all these circumstances it has been judged, by the Trustees, expedient to postpone the next Agricultural Fair and Exhibition to the days above mentioned, one week after the Cattle show at Easton, in Talbot County, which takes place on the 19th and 20th of November. It is most earnestly requested of the several Editors of papers in Maryland and the District of Columbia, all of whom are from their politeness in forwarding the views of the Institution, considered members thereof, that they will insert the above in their respective journals, and allow it to stand in a conspicuous place until after the Show. Oct. 21.

DECISIONS OF THE COURT OF APPEALS OF MARYLAND. Shaw & Gambrill, ANNAPOLIS, Propose to Publish by Subscription, THE DECISIONS OF THE COURT OF APPEALS OF MARYLAND, To be Reported by Thomas Harris, Esquire, Clerk of the Court of Appeals, and Beverly Johnson, Esquire, Attorney at Law.

These Decisions will form a continuation of the first volume of Reports already published by Messrs Harris and Johnson, which closes with the year 1805. It is proposed to publish the Decisions in a Series of Numbers, each to contain not less than one hundred and twenty five pages, and four numbers to constitute a volume. The last number of each volume will contain a full and complete Index. This mode of publication, it is conceived, possesses advantages which give it a decided preference to that of publishing the Reports in bulky volumes. It ensures the earlier publication of the Reports, and as not more than four numbers will not be published in a year, the expense will not be so sensibly felt.

TERMS. The price of each number of the Reports will be \$1 25, payable on delivery. Subscriptions to the above Works are received of Shaw & Gambrill's Store, the Maryland Gazette Office, and the respective Offices of the County Clerks of this

I have employed the Panacea of Mr Swaim in numerous instances, within the last three years, and have always found it extremely efficacious especially in secondary syphilis, and mercurial disease. I have no hesitation in pronouncing it a medicine of inestimable value.
