Tobacco Lands.
On the 9th day of December next, at 11
o'clock, A. M. if fair, if not, the next fair
day thereafter, the subscriber will offer at
public auction, on the premises, his valua-
ble REAL ESTATE, situate on the north
side of Severn River, opposite the City of
Annapolis, containing upwards of
ONE THOUSAND ACRES,
about six hundred covered with wood and
heavy timber, consisting of white oak, black
walnut and poplar, &c. the residue for the
most part under good fences—the whole
nearly surrounded by the waters of the
Severn river, and a wide navigable creek,
emptying into the Chesapeake Bay, which
afford convenient water carriage for wood
and produce from almost every part of the
land.

It is at present divided into two farms,
both in a promising state of improvement,
and possessing large banks of oyster shells,
and other sources of manure in great abun-
dance. Plaster has been found to act with
great effect on these lands in promoting the
growth of clover—the soil is principally
clay, of an excellent quality for grain and
other crops; and particularly well adapted
to the culture of fine quality of tobacco.
There is a good water mill adjoining these
lands, and a steam mill in Annapolis, both
very convenient to this estate. These two
farms will be divided into smaller ones of
from 20 to 300 acres each, which will be
shown on a plot on the day of sale.
The buildings on both the Farms are
beautifully situated on eminences com-
manding extensive views of the river & bay.
Terms of sale, one fourth cash, the re-
sidue in three equal annual payments, on
interest from the sale, on bond and securi-
ty. The subscriber will treat for the above
lands at private sale, at any time previous to
the day appointed for public sale.

ADVERTISEMENT.
**Postponement of the Maryland Cattle
Show—for the Western Shore.**
This great annual festi-
val of our armory has
been postponed to the 23d
24th and 25th of Nov.
Various considerations led to the adoption
of this measure—first, the days previously
fixed upon, happened to be on the days of
the yearly meeting of Friends in this city
—and it has always been a matter of par-
ticular anxiety to the members of the So-
ciety, as well as an eminent advantage to
the Institution, that its objects have been
approved and patronized by that industri-
ous and most exemplary class of our citi-
zens.

It was thought, too, that the number of
recent occasions for bringing the people
from the rhinanes, and especially the all-ab-
sorbing curiosity to see, and desire to pay
respect to the "Nation's Guest," would
prevent many from soon leaving their
homes again, and finally when Gen. La
Fayette accepted the Diploma of Member-
ship of our Society, he claimed for himself
"the honour of being a practical agricul-
turalist," declared his partiality for his
pursuits and expressed a strong desire to
be present at our next exhibition; when if he
can attend, as it is hoped and expected he
may, the premiums will be delivered by his
hand, to the fortunate competitors, with an
inscription to that effect—Under all these
circumstances it has been judged, by the
Trustees, expedient to postpone the next
Agricultural Fair and Exhibition to the
day above mentioned, one week after the
Cattle Show at Easton, in Talbot County,
which takes place on the 9th and 20th of
November. It is most earnestly requested
of the several Editors of papers in Mary-
land and the District of Columbia, all of
whom are, from their politeness in for-
warding the views of the Institution, con-
sidered members thereof, that they will in-
sert the above in their respective journals,
and allow it to stand in a conspicuous place
until after the Show.

DECISIONS
OF THE
COURT OF APPEALS OF MARY-
LAND
PUBLISHED
By Subscription.
THE DECISIONS
OF THE COURT OF APPEALS
OF MARYLAND,
To be Reported by Thomas Harris,
Esquire, Clerk of the Court of Ap-
peals, and Reverdy Johnson,
Esquire, Attorney at Law.

These Decisions will form a continuation
of the first volume of Reports already pub-
lished by Messrs. Harris and Johnson, which
closes with the year 1805. It is
proposed to publish the Decisions in a Se-
ries of Numbers, each to contain not less
than one hundred and twenty five pages,
and four numbers to constitute a volume.
The last number of each volume will con-
tain a full and complete Index. This mode
of publication, it is conceived, possesses ad-
vantages which give it a decided preference
to that of publishing the Reports in bulky
volumes. It ensures the earlier publication
of the Reports, and as not more than four
numbers will be published in a year, the
expense will not be so sensibly felt.

TERMS.
The price of each number of the Reports
will be \$1.25, payable on delivery.
A Subscriber to the above Work, are
requested to call at **GEORGE SHAW'S** Store,
Maryland Gazette Office, and the respec-
tive Offices of the County Clerks of this
State.

CERTIFICATES.
I have within the last two years
had an opportunity of seeing several
cases of very inveterate ulcers, which
having resisted previously the regular
modes of treatment, were healed by
the use of Mr Swaim's Panacea, and
I do believe, from what I have seen,
that it will prove an important reme-
dy in scrofulous, venereal and mercurial
diseases.
