Valuable Real Estate FOR SALE.
 By virtue of a decree of the Court of Chancery of Maryland, the subscriber will, at 12 o'clock on Thursday the 25th of November instant, (if fair, and if not, on the first fair day thereafter,) sell at public sale on the premises, to the highest bidder, the real estate of the late George Hogarth, Esq. being about 800 acres of valuable land in Anne Arundel county, situated upon Herring Bay, about 20 miles from Annapolis, 50 from Baltimore, and adjoining the village of Friendship.
 It has the advantage of an excellent landing, whence the greater part of the produce of Calvert county and of the lower parts of Anne Arundel, is shipped to the Baltimore market, and from which two packets run regularly twice a week. The land is of excellent quality, it is well adapted to the growth of fine tobacco, grain and clover, and plaster is said to act upon it with great effect—it abounds with valuable timber of every description, which may be cut and conveyed to the landing with great facility by very convenient roads made at great expense with a view to that object.
 The land will be sold entire, if any one more disposed to purchase at a fair price express a wish to do so before or on the day of sale. In the meantime for the accommodation of bidders, if none should wish to buy the whole, it will be divided into three lots, two of about 300 each, and one of about 200 acres.

Lot No. 1,
 Will bind immediately on the Herring Bay, and contain, besides several small tenements, the following valuable improvements, viz: a warehouse, dwelling house, and kitchen, contiguous to the landing at the cove, on a lot which offers great advantages for a Lumber Yard—an excellent dwelling—desirably situated—having six rooms on the same floor—inclosed by a commodious kitchen, the whole surrounded by a Portico, a very large, new and substantial tobacco house of sound and durable materials, upwards of 70 feet long, and about 40 feet wide, including the shed; there are also one or more quarters on this lot, and other out houses in good order.

Lot No. 2,
 Will have on it a small tenement of one story, which will answer for a temporary dwelling, a large, new and substantial tobacco house, in excellent preservation, and several comfortable outhouses.

Lot No. 3,
 Is nearly covered with valuable timber, has on it one or more useful tenements, and immediately adjoins the town of Friendship. Both

Lots No. 1 & 2,
 Have on them several extensive flats or bottoms, some of them partially cleared and improved, and all of which with little trouble or expense may be converted into excellent meadows.

The Terms of Sale are—
 One fourth cash on the day of sale, or the ratification thereof by the chancellor, and the residue by equal instalments, in six, twelve and eighteen months, bearing interest from the day of sale, and to be secured by bond with good securities—and on the ratification of the sale and payment of the whole purchase money, the land is directed to be conveyed by

DECISIONS OF THE COURT OF APPEALS OF MARYLAND PUBLISHED By Subscription.
THE DECISIONS OF THE COURT OF APPEALS OF MARYLAND,
 To be Reported by Thomas Harris, Esquire, Clerk of the Court of Appeals, and Revere Johnson, Esquire, Attorney at Law.
 These Decisions will form a continuation of the first volume of Reports already published by Messrs. Harris and Johnson, which closes with the year 1805. It is proposed to publish the Decisions in a Series of Numbers, each to contain not less than one hundred and twenty-five pages, and four numbers to constitute a volume. The last number of each volume will contain a full and complete Index. This mode of publication, it is conceived, possesses advantages which give it a decided preference to that of publishing the Reports in bulky volumes. It ensures the earlier publication of the Reports, and as not more than four numbers will be published in a year, the expense will not be so sensibly felt.
TERMS.
 The price of each number of the Reports will be \$1.25, payable on delivery.
 Subscriptions to the above Work are received at GEORGE SHAW'S Store, the Maryland Gazette Office, and the respective Offices of the County Clerks of this State.

Tobacco Lands.
 On the 9th day of December next, at 11 o'clock, A. M. if fair, if not, the next fair day thereafter, the subscriber will offer at public sale, on the premises, his valuable REAL ESTATE, situate on the north side of Severn River, opposite the City of Annapolis, containing upwards of
ONE THOUSAND ACRES.
 about six hundred covered with wood and heavy timber, consisting of white oak, black walnut and poplar, &c. the residue for the most part under good fences—the whole nearly surrounded by the waters of the Severn river, and a wide navigable creek, emptying into the Chesapeake Bay, which afford convenient water carriage for wood and produce from almost every part of the land.
 It is at present divided into two farms, both in a promising state of improvement, and possessing large banks of oyster shells, and other sources of manure in great abundance. Plaster has been found to act with great effect on these lands in promoting the growth of clover—the soil is principally clay, of an excellent quality for grain and other crops; and particularly well adapted to the culture of first quality of tobacco. There is a good water mill adjoining these lands, and a steam mill in Annapolis—both very convenient to this estate. These two farms will be divided into smaller ones of from 200 to 300 acres each—which will be shown on a plot on the day of sale.
 The buildings on both the Farms are beautifully situated on eminences commanding extensive views of the river & bay.
 Terms of sale, one fourth cash, the residue in three equal annual payments, on interest from the sale, on bond and security. The subscriber will treat for the above lands at private sale, at any time previous to the day appointed for public auction.

And that dreadful disease occasioned by a long and excessive use of mercury, &c. It is also useful in diseases of the liver."
CERTIFICATES.
 I have within the last two years had an opportunity of seeing several cases of very inveterate ulcers, which having resisted previously the regular modes of treatment, were healed by the use of Mr. Swaim's Panacea, and I do believe, from what I have seen, that it will prove an important remedy in scrofulous, venereal and mercurial diseases.
 N. CHAPMAN, M. D.
 Professor of the Institutes and Practice of Physic in the University of Pennsylvania.
 I have employed the Panacea of Mr. Swaim in numerous instances, within the last three years, and have always found it extremely efficacious especially in secondary syphilis, and mercurial disease. I have no hesitation in pronouncing it a medicine of inestimable value.
