DECISIONS OF THE COURT OF APPEALS OF MARYLAND PUBLISHED

By Subscription. THE DECISIONS OF THE COURT OF APPEALS OF MARYLAND.

To be Reported by Thomas Harris, Esquire, Clerk of the Court of Appeals, and Reverdy Johnson, Esquire, Attorney at Law.

These Decisions will form a continuation of the first volume of Reports already published by Messrs Harris and Johnson, which closes with the year 1805. It is proposed to publish the Decisions in a Series of Numbers, each to contain not less than one hundred and twenty five pages, and four numbers to constitute a volume. The last number of each volume will contain a full and complete Index. This mode of publication, it is conceived, possesses advantages which give it a decided preference to that of publishing the Reports in bulky volumes. It ensures the earlier publication of the Reports, and as not more than four numbers will be published in a year, the expense will not be so sensibly felt.

TERMS. The price of each number of the Reports will be \$1 25, payable on delivery. Subscriptions to the above Work are received at GEORGE SHAW'S Store, the Maryland Gazette Office, and the respective Offices of the County Clerks of this State.

More's New Market, FOR SALE.

The subscriber will sell at private sale, a tract of land in Anne Arundel county situated on the Head of Severn River, called More's New Market, but better known by the name of Mrs. Urquhart's Tavern. This tract of land combines singular advantages. The Baltimore and Annapolis Road passes through it. The House is well known as an excellent stand for a Tavern, and is with the other improvements in good repair. It is in fact a most desirable situation either for a farm or Tavern stand. To a good purchaser the terms of sale will be made satisfactory and accommodating by the subscriber, living about four miles from the premises. REZIN HAMMOND. A. A. County Feb. 3.

B. LITTELL, 65, Chesnut street, Philadelphia, Has in Press, AN INTRODUCTION TO THE CRITICAL STUDY AND KNOWLEDGE OF THE HOLY SCRIPTURES.

It will be printed from the London edition of 1823, in four very large octavo volumes, it will contain numerous maps and fac similes of biblical manuscripts, and in short every thing that is contained in that edition, and will be very neatly printed on good paper. The first London edition of this work was published in 1818, the second in 1821, the third in 1822, the fourth in 1823. So great a sale of so large a work on such a subject, is the evidence that can be offered of its value. There has yet been no American edition. Vol. I. contains a Critical Inquiry into the Genuineness, Authenticity, Incomplete Preservation, and Inspiration of the Holy Scriptures. Vol. II. In two parts, treats, first on Sacred Criticism; including an Historical and Critical Account of the Original Languages of Scripture, and of the Cognate or kindred Dialects; an account (with numerous Fac Similes) of the principal manuscripts of the Old and New Testaments, &c. &c. and this part of the work, the History of the Authorized English Version of the Bible is particularly considered. The various Readings, the Quotations from the Old Testament in the New, the Poetry of the Hebrews and Harmonies of the Scriptures, form a portion of this part. Second Part.—Of the Interpretation of the Scriptures. Subsidiary Means for ascertaining the Sense of Scripture, viz. Analogy of Languages, Analogy of Scripture; Scholia and Glossaries; subject-matter, Context, Scope, Historical Circumstances, and Christian Writers. These discussions are followed by an application of the preceding principles—to the Historical Interpretation of the Sacred Writings; the Interpretation of the Figurative Language of Scripture; the Spiritual Interpretation of the Scriptures; the Interpretation of Prophecy; of Types, of the Doctrinal and Moral Parts of Scripture, of the Promises and Threatenings there contained; and the Inferential and Practical Reading of the Sacred Writings. Vol. III. contains an Outline of the Historical and Physical Geography of the Holy Land. The Political and Military Affairs of the Jewish and other Nations incidentally mentioned in the Scriptures. Sacred Antiquities of the Jews. The Domestic Antiquities, or the Private Life, Manners, Customs, Amusements, &c. of the Jews and other Nations incidentally mentioned in the Scriptures. Vol. IV. is appropriated to the Analysis of Scripture. Price \$12—After publication the Price will be sixteen dollars. January 1825.
