AN INTRODUCTION
 to the
CRITICAL STUDY AND KNOWLEDGE
OF THE HOLY SCRIPTURES.

It will be printed from the London Edition of 1823, in four very large octavo volumes, it will contain numerous maps and fac similes of biblical manuscripts, and in short every thing that is contained in that edition, and will be very neatly printed on good paper. The first London edition of this work was published in 1816, the second in 1821, the third in 1822, the fourth in 1823. So great a sale of so large a work on such a subject, is the best evidence that can be offered of its value. There has yet been no American edition.

Vol. I. contains a Critical Inquiry into the Genuineness, Authenticity, Incorrupt Preservation, and Inspiration of the Holy Scriptures.
 Vol. II. in two parts, treats, first on sacred Criticism; including an Historical and Critical Account of the Original Languages of Scripture, and of the Cognate or kindred Dialects; an account (with numerous Fac Similes) of the principal manuscripts of the Old and New Testaments, &c. &c. in this part of the work, the History of the Authorised English Version of the Bible is particularly considered. The various Readings, the Quotations from the Old Testament in the New, the Poetry of the Hebrews and Harmonies of the Scriptures, form a portion of this part.

Second Part.—Of the Interpretation of the Scriptures. Subsidiary Means for ascertaining the Sense of Scripture. viz. Analogy of Languages, Analogy of Scripture; Scholia and Glossaries, Subject-matter, Context, Scope, Historical Circumstances, and Christian Writers.
 These discussions are followed by the application of the preceding principles—to the Historical Interpretation of the Sacred Writings; the Interpretation of the Figurative Language of Scripture; the Spiritual Interpretation of the Scriptures; the Interpretation of Prophecy; of Types, of the Doctrinal and Moral Parts of Scripture, of its Promises and Threatenings there contained; and the Inferential and Practical Reading of the Sacred Writings.

Vol. III. contains an Outline of the Historical and Physical Geography of the Holy Land. The Political and Military Affairs of the Jewish and other Nations incidentally mentioned in the Scriptures. Sacred Antiquities of the Jews. The Domestic Antiquities, or the Private Life, Manners, Customs, Amusements, &c. of the Jews and other nations incidentally mentioned in the Scriptures.

Vol. IV. is appropriated to the Analysis of Scripture.
 Price \$12.—After publication the Price will be sixteen dollars.

BY HIS EXCELLENCY
SAMUEL STEVENS,
 GOVERNOR OF MARYLAND,

A Proclamation.

Whereas authentic information has been lodged in the Executive Department of the said state, that a horrible murder was committed on Monday the fourth day of April instant, in a woods belonging to Captain John Cooper, near the Philadelphia and Baltimore post road, in Cecil county, on the body of **EVELINA CUNNINGHAM**, by a person or persons unknown. And whereas it is of the first importance to society, that perpetrators of such offences should be brought to condign punishment, I have thought proper to issue this my proclamation, and do, by and with the advice and consent of the council, offer a reward of **THREE HUNDRED DOLLARS** to any person or persons who shall apprehend and lodge in any gaol, so as to be brought to justice, the person or persons who committed the above act.

Given under my hand, and the seal of the state of Maryland, in this twentieth day of April, in the year of our Lord one thousand eight hundred and twenty-five.
SAMUEL STEVENS.

Description of the supposed Murderer.

A person (name unknown) about 28 or 30 years of age, believed to have a scar on his chin, dark complexion, dark eyes and hair, about five feet ten inches high, wore a dark green surtout, black or dark coloured pantaloons, black fur hat nearly new, had a linen knapsack strapped upon his back. The murderer robbed her of her stockings, which were black worsted, and her comb.

Ordered, That the foregoing be published twice a week for four successive weeks in the two Annapolis papers; the Patriot, the American, and the Federal Gazette, Baltimore; the Elkton Press; Bond of Union, Belle Air; and the Aurora, and Franklin Gazette, Philadelphia.

Command of His Excellency,
THOMAS CULBRETH,
 Clerk of the Council.

BASHAW,

Will stand the ensuing season, at Woody Farm, 2 miles from Elliott's Mills, and 12 miles from Baltimore.

BASHAW is a beautiful silver grey with black flowing fore top, mane and tail, about sixteen hands high, of fine form and just proportions, possessing great strength, and of lofty carriage; paces, trots and canters free and easy.—This Horse was got by the *Dog of Algiers*, and his dam a Highlander Mare; thus showing, he is of the stock of Arabian Horses so well known and justly esteemed for the turf and saddle.—In point of figure, and excellence as a sure foal getter is surpassed by no horse in the country.

Bashaw will stand two days in each week, (Friday and Saturday,) at Stone's Tavern, three miles from town on the Frederick road and the residue at Woody, the farm of Jacob Hollingsworth, 12 miles from Baltimore, at Ten Dollars the single mare and if more than one, Eight Dollars only will be charged. The season will end, the first day of August, when payment will be expected.

Good pasturage will be provided at 50 cents per week, and further care and attention paid if required, without liability for escapes and accidents.
JAMES BROOKES, Manager.

MODE OF DRAWING
 The numbers will be put into one wheel as usual—and in the other wheel will be put, the prizes above the denomination of two dollars, and the drawing to progress in the usual manner. The 20,000 prizes of \$2 each, will be awarded to the odd or even numbers in this Lottery (as the case may be) dependent on the drawing of the capital prize of twenty thousand dollars, that is to say—If the 20,000 dollar prize should come out an odd number, then every odd number in the scheme will be entitled to a \$2 prize. If the 20,000 dollar prize should come out an even number, then all the even numbers in the scheme will be each entitled to a \$2 prize. The odd numbers are those ending with 1—3—5—7—9, and the even numbers are those ending with 2—4—6—8—0.

This mode of drawing not only enables the Commissioners to complete the whole lottery in one drawing, but has the great advantage of distributing the small prizes regularly to every alternate number in the scheme, so that the holder of two tickets, or two shares of tickets, (one odd and one even number) will be certain of obtaining at least one prize, and in the same ratio for any greater quantity.

A ticket drawing a superior prize in this scheme, is not restricted from drawing an inferior one also.
JAS. L. HAWKINS,
NATHL. F. WILLIAMS,
JAS. B. RINGGOLD,
 Commissioners.
