LAW OF MARYLAND.
CHAPTER 67.
An act to repeal an act, entitled, An Act to alter, change, and repeal such parts of the Constitution and Form of Government of this State, as relate to the division of Allegany county into eight separate election districts, passed at December session, eighteen hundred and sixteen, and confirmed at December session, eighteen hundred and seventeen.

Sec. 1. Be it enacted by the General Assembly of Maryland, That all such parts of the constitution and form of government, made such by the acts of eighteen hundred and sixteen, and eighteen hundred and seventeen, which directs that Allegany county shall be divided and laid off into eight separate election districts, be and the same is hereby repealed.

2. And be it enacted, That Allegany county shall be divided into nine separate election districts, and the additional district shall be taken and laid off from the seventh and eighth election districts, as they are now numbered.

3. And be it enacted, That Amos Robinett, Francis Reid, Benjamin Robinson, John North and Leonard Sherehiff, or a majority of them, or a majority of the survivors of them, be and they are hereby appointed commissioners, and authorised to lay off Allegany county into nine separate election districts, and to number the same, not altering or changing either the first, second, third, fourth, fifth and sixth election districts, or the place of holding the election therein, as now established by law, but only dividing the seventh and eighth into three separate election districts, having regard to the population, extent and convenience of the votes in each of said districts; and said election districts so laid off anew, shall be numbered seven, eight and nine, and known thereafter by such number; and also to select Old Town as the place of holding the election for one of the said election districts thus to be laid out; the house of Isaac Osmun, near the mouth of Fifteen Mile Creek, for the place of holding the election of another election district thus laid out; and Walter Slicer's tavern, or any other place within said district, which may be deemed more convenient, for the place of holding the election in the other election district thus to be laid out; and the said commissioners shall, on or before the first day of April, eighteen hundred and twenty-six, deliver to the clerk of Allegany county court, a description in writing, under their hands and seals, specifying plainly the boundaries and number of each district, and also the place in each district where the election for such district shall be held; and the said clerk shall record the same in the records of said county.

4. And be it enacted, That it shall be the duty of the clerk of Allegany county court, to furnish the sheriff of said county with a copy of the proceedings of the said commissioners, who shall give notice of the place of holding the election in each election district so laid off anew, by causing the same to be inserted in the Cumberland Advocate, once a week, for at least one month previous to holding the election in October eighteen hundred and twenty six.

5. And be it enacted, That for all services performed by the commissioners aforesaid by virtue of this act, the levy court of Allegany county, shall make reasonable compensation, and shall levy the same upon the

county, and the same shall be paid as all other county charges.
6. And be it enacted, That if this act shall be confirmed by the general assembly of Maryland, after the next election of delegates in the first session after such new election, as the constitution and form of government directs, in such case, this act and the alteration herein contained, shall constitute and be considered as a part of the said constitution and form of government to all intents and purposes, any thing to the contrary notwithstanding.

CHAPTER 84
An act to repeal all such parts of the Constitution and Form of Government as relate to the division of Frederick county into eleven election districts, and for other purposes.

Whereas, it is represented to this general assembly of Maryland, by the petition of sundry inhabitants of Frederick county, that they experience great inconvenience from the magnitude of the third election district in said county, operating to deprive many of their suffrages, who are entitled to the exercise of that right; and as it is desirable that the full, free and fair voice of the people should be expressed in their choice of the functionaries of government; therefore,

Sec. 1. Be it enacted by the General Assembly of Maryland, That all such parts of the constitution and form of government, as direct that Frederick county shall be divided into eleven election districts, be and the same are hereby repealed.

2. And be it enacted, That Frederick county shall be divided into twelve separate election districts, and the additional district shall be taken and laid off from the third election district as they are now numbered.

3. And be it enacted, That Patrick McGill, senior, Benjamin West, John Thomas, Henry Culler, Erasmus Garrott, of the third election district of the county aforesaid, be and they are hereby authorised and appointed, or a majority of them, commissioners to lay off and divide anew the third election district into two election districts, and to number the new election district formed out of the third election district; and to make choice of a place in the said new election district so laid off at which the election shall be held, having due regard to the accommodations of persons attendant upon such elections; and the said commissioners shall on or before the third Monday in April, eighteen hundred and twenty-six, deliver to the clerk of Frederick county court, a description in writing under their hands and seals, specifying plainly the boundaries and number of the election district so laid off by them, and also the place where the elections for such district shall be held; and the said clerk shall record the same in the records of said county.

4. And be it enacted, That the sheriff of Frederick county shall give notice of the place of holding the election in such election districts so laid off anew, by causing the same to be inserted in one or more newspapers printed in Frederick county, once a week for at least two months previous to holding the election in October eighteen hundred and twenty six.

5. And be it enacted, That if any of the commissioners named in this act, shall refuse to accept his appointment before the first day of March, eighteen hundred and twenty six, the remaining commissioners, or a majority of them, are hereby authorised and directed to fill such vacancy or vacancies.

6. And be it enacted, That each commissioner shall be entitled to receive at the rate of two dollars per day, for every day he shall act in the discharge of the duties imposed on him by the provisions of this act, to be assessed and levied by the levy court of Frederick county, as other county charges are, which said sums, when levied and collected, shall be paid over as other county charges are.

7. And be it enacted, That if this act shall be confirmed by the general assembly of Maryland, after the next election of delegates, during the first session after such new election, as the constitution and form of government
