*Rexin Estep vs. Edward Cowley, and others.*

The object of the bill filed in this case is to obtain a decree for the sale of the real estate in the proceedings mentioned. It is stated that a certain William Cowley, late of Anne Arundel county, departed this life intestate, seized in fee at the time of his death of about two hundred and sixty acres of land lying in the county aforesaid, leaving the persons named in the bill his children and heirs. That letters of administration on his personal estate was granted to the complainant, who has disposed of said estate, and distributed the proceeds thereof; and in doing so, he has over-paid said estate, leaving claims to a large amount still due and owing to sundry persons creditors of the said Cowley. The bill also states that Edward Cowley, one of the children of said deceased, resides out of the state of Maryland. It is thereupon ordered, that the complainant, by causing a copy of this order to be inserted for four weeks in the newspapers printed in this City, give notice to the absent defendant to be and appear in this honorable court in person or by solicitor, on or before the twentieth day of November next, to shew cause, if any he has, why a decree shall not be passed as prayed.

**Valuable Land FOR SALE.**

By virtue of a decree of the Court of Chancery, will be disposed of at public sale, on Thursday the 8th day of September, if fair, if not on the next fair day thereafter, the farm of the late John Gibson, esquire, called "The Seven Mountains."

This property is situate in Anne Arundel county, on the north side of Magothy river, and immediately on the shore of the Chesapeake Bay, about seventeen miles from Baltimore and eight from Annapolis. The soil is fertile and abundantly stocked with timber, and is peculiarly well adapted to the culture of Indian corn and tobacco, and all the products of a garden. It bears every variety of the best and earliest vegetables, and its proximity to Baltimore, and the convenient water transportation which its situation affords, give it advantages as a market farm, that few places possess. It abounds with delicious grapes and the choicest grafted fruit trees in full bearing. These have been collected with great care, and are now in a flourishing condition. The water, by which the place is almost surrounded, and a fishpond that has been made at considerable expense, afford fish and crabs in the utmost abundance, and there is always during the winter, a plentiful supply of waterfowl, and the other ordinary game of the country. There are also on the farm a few fallow deer. Besides the advantages which this estate offers to persons who derive their support from agricultural pursuits, the extraordinary beauty of the situation, and the facilities which it furnishes for the enjoyment of rural sports, would render it a delightful retreat for a man of fortune.

The land will, for the accommodation of purchasers, be divided into parcels of about two hundred and fifty acres each, every part being bounded on one side by the water.  
The terms of sale are one third cash, and the residue to be paid in three equal annual instalments. Bonds with approved security, will be required for the payment of that portion of the purchase money for which credit is allowed. On the payment of the whole purchase money, conveyances of the land will be executed.  
The sale will take place on the premises. Sale to be at 12 o'clock.

**DECISIONS OF THE COURT OF APPEALS OF MARYLAND PUBLISHED By Subscription.**  
**THE DECISIONS OF THE COURT OF APPEALS OF MARYLAND,**  
To be Reported by Thomas Harris, Esquire, Clerk of the Court of Appeals, and Reverdy Johnson, Esquire, Attorney at Law.

These Decisions will form a continuation of the first volume of Reports already published by Messrs. Harris and Johnson, which closes with the year 1805. It is proposed to publish the Decisions in a Series of Numbers, each to contain not less than one hundred and twenty-five pages, and four numbers to constitute a volume. The last number of each volume will contain a full and complete Index. This mode of publication, it is conceived, possesses advantages which give it a decided preference to that of publishing the Reports in bulky volumes. It ensures the earlier publication of the Reports, and as not more than four numbers will be published in a year, the expense will not be so sensibly felt.

TERMS.  
The price of each number of the Reports will be \$25, payable on delivery.  
Subscriptions to the above Work are received at **GEORGE SHAW'S** Store, the Maryland Gazette Office, and the respective Offices of the County Clerks of this state.
