Portland Manor

FOR SALE.

The subscriber offers for sale Portland Manor, the residence of the late Bennett Esq, deceased. This estate lies in Anne Arundel county, state of Maryland, about four or five miles of Herring Bay, from whence regular packets ply to and from Baltimore, and where kinds of produce meet with a ready sale. This farm contains about 590 acres of valuable fertile land, in an excellent state of cultivation, and well adapted for the growth of Wheat, Corn and Tobacco. The buildings consist of a large and well finished house, with excellent cellars, also out of repair, a smoke house, and two corn Houses, in good order, and two negro quarters, old and out of a paved yard and Garden attached to the dwelling house, in tolerable good order.

Also another tract adjoining the aforesaid tract, called "Birdhead's tract," containing 112 acres of land more or less, a part of which is in an excellent state of improvement, capable of raising crops of any description; there are houses upon this tract.

Also another tract, lying about one mile distant from the first mentioned tract, called "St. Jerome's tract," containing about eighty two and a half acres of land more or less. This tract is improved, and covered with scrub wood, there can be made a valuable meadow with little expense.

Also another tract called "Portland Manor," distant from the first mentioned tract about two miles, and containing about 4 1/2 acres of land more or less, of which is naturally good, and susceptible of improvement by the use of clover and plaster. There are upon this land large fine trees tobacco house, a corn house and quarter, all nearly new. This tract contains a sufficiency of wood and timber for any exigencies of the estate, and would be a valuable auxiliary to the first mentioned estate, which is a tract of wood and timber.

Also a lot of ground in Pig Point, the seat of which I have not been able to ascertain, but understand that it lies on an excellent fishing ground on the Patuxent River, where herring are caught in abundance in their season, there is upon this lot an old mill, nearly gone to wreck. The whole tract is offered entire, or will be divided to suit purchasers, provided a sale of the whole estate can be effected by so doing.

There are on the estate sundry superannuated slaves, which must be considered as a drawback, and purchased with the estate, and it will be required of the purchaser that he shall enter into an obligation, conditioned for the maintenance and humane treatment of those slaves in every respect during life.

Should a sale of the land be effected, and without, I shall proceed to sell the whole of the Stock, Horses, Cattle, Sheep, Hogs, Plantation Utensils, &c. together with whatever Crops may remain undisposed of at the time of sale.—Crops of small grain will be seeded as usual, which will be charged to the purchaser agreeable to custom. The whole estate abounds in springs of excellent water, and perhaps is as healthy a tract as any of the neighbouring estates. It is not sold at private sale, before the 1st of December next, in which event notice will be given, it will on that day be offered at public sale, at the premises, to be recommended, to be made known on the day of sale. The purchaser can have possession as soon as the terms are complied with. There is no doubt but the sale of the whole estate is indisputable, and upon the payment of the whole purchase money deeds will be executed.

Robert Welch, of Ben. Sept. 22.
