The object of the bill in this case is to obtain a decree for the sale of a house and lot in Old-Town, Allegany county, for the payment of the balance of the purchase money due for said

Property.
The bill states that the General Assembly of Maryland, at December session 1815, passed an act authorising the complainant to sell the Real Estate in Allegany county, whereof John Hesseius died possessed; that the complainant, having complied with all previous requisites of said act, on the twelfth day of April 1817, sold at public auction, to the defendant, who was the highest bidder, for the sum of eight hundred dollars, a house and lot situate in Old Town, Aliegany county, the same being part of the real estate which she was authorised by the aforesaid act to dispose of; that by the terms of sale the defendant was to pay the purchase money in three equal annual instalments, with interest from the day of sale; that he was put into immediate possession of said property, and has ever since occupied it, or received the rents, issues, and profits thereof, and the whole amount of the purchase money, and the interest thereon, still remains due and unpaid, except the the sum of fifty-two dollars and thirty

cents, which was paid in part of the interest due on said purchase money. It has been further represented by the petition of the complainant, that the defendant has, since the filing the aforesaid bill, removed from the state of Maryland, and is at this time a re

sident of the state of Ohio. It is thereupon this third day of November 1825, adjudged, ordered and decreed, that the complainant give notice, to the said absent defendant, by publication in some newspaper published in this state, once a week for four weeks before the third day of December next, to appear in this court either in person or by a solici-tor, and file an answer to said bill on or before third day of March next, otherwise the said bill be taken pro-
