Venders & Adventurers throughout the Union and elsewhere, have an opportunity of procuring tickets and shares, and certificates of do. at the Scheme Price, or First Cost thereof, for an unusual length of time, in the most brilliant Lottery ever adopted in the United States, on the plan termed New Series, and it is not probable that a like opportunity in so Grand a scheme will be offered to the public for

many years. All Venders and the public geneally, are respectfully invited to take an interest in this Lottery, which the Manager trusts they will find worthy of their immediate attention. The Scheme will be generally known throughout the United States, and the citizens thereof disposed to adventure. have an excellent opportunity offered them of procuring tickets, shares, and certificates in this Lottery at the Scheme Price. as well as the first advance. In consequence of this, and the small number of tickets in this Scheme, those who procrastinate their purchase must hereafter censure themselves only, if by a little delay they find themselves too late to procure even a single Ticket or share and thus lose forever the unparalleled opportu-

ble Servant, P. CANFIELD 180 Market Street Baltimore. Baltimore, September, 1825.

PUBLIC SECURITY.

The Manager of the University Lottery of the State of Maryland, returns his sincere acknowledgments for the munificent patronage he has received in the former classes and he now has the honour of presenting to his friends and the public throughout the Union, the Scheme of the Eighth Class, which is far more brilliant than any scheme ever adopted and drawn in the United States, and probably in finitely more so, than any that will be offered for several yours. He flatters himself that as all classes of adventu rers, may be accommodated, the present scheme will be daly appreciated and approved. By an attentive perusal of the scheme, many unusual adday be piffered at public sale, on the premises.

R J. C.

Nov. 17.

The Editor of the Maryland Journal, Rockville, will publish the above adve. until requested to discontinue two of the drawn numbers, each a prize of the drawn numbers of the draw

And those having on them but one | States generally, will not it is hoped be backward in given it their support, but will patronize it as well from feelings of patriotism, as from the excel-lent chance now offered of adding to their property. Those not yet abounding in wealth, will no doubt seize at once upon the unparalelled opportuni-

ty of securing a fortune.

Venders abroad will notice that
this Lottery contains but a small number of Tickets, and they may find it very advantageous to make their remittances, at the time, they order tickets, less by a little delay, the tickets may all be engaged. In no instance can a credit for any large amount be allowed unless a satisfactory security be given; for, notwithstanding the integrity and property of many of those in the trade, the Manager must and will endeavour to guard against all casualties, and it must be expected that will be looked and adhered to by him in all cases, not only for bigown protection and safety, but because it is his intention to proceed with this Lottery in such a manner that he may have it in his power to pay the prizes promptly, and that it shall re-sult to the entire satisfaction of all

If the foregoing considerations are not a sufficient incentive to venders and adventurers, to take an interest in this Lottery, in preference to any other, the manager trusts that the following new arrangement and voluntary act on his part, will stemp it with such a character, as shall render it justly deserving of that preference.

To insure public confidence and to prevent the possibility of loss to the holders of tickets in consequence of any casualties whatever, "it is hereby covenanted and agreed on the part of the Manager that the current funds, received for sales of Tickets in this Lottery, shall be depos ted every thirty or sixty days from and after the 10th day of October ensuing, either in the Merchants Bank in the City of New York, in the United States. Bank in the city of Philadelphia, in the Philadelphia Bank of ditto city, or the Union Bank of Maryland in the City of Baltimore, and in in all, or in some one of the above named Banks respectively, the said funds shall remain as a security for the holders of tickets until the drawing shall have taken place, which deposits will, from time to time, be made known by some of the following named gentlemen, who have kindly con-sented to act, if necessary, upon this occasion, and to attend to the duties
