35,000 Tickets, amounting in all to the splendid sum of **\$308,000.**

The whole to be finished in one drawing only, which will positively take place on **WEDNESDAY** the 15th February 1826, under the superintendance of the commissioners appointed by the Governor & Council.

MODE OF DRAWING.—The numbers will be put into one wheel as usual—and in another wheel will be put the prizes above the denomination of 10 Dollars, and the drawing to progress in the usual manner. The 10,500 prizes of \$10 will be awarded with the terminating figure of either of the Three first drawn Numbers from the wheel of different terminations. We will suppose that Number 10101 to be the first drawn No. Then every Ticket in the Lottery, ending with the figure (1) will be entitled to a prize of \$10, then suppose that No. 14610 to be the second drawn number, then every number ending with (0) will also be entitled to a prize of \$10—and in like manner, suppose that No. 51,118, be the third drawn number from the wheel, then all the tickets in the scheme ending with the figure 8, will also be entitled to a prize of \$10 each in addition to any other prize they may have drawn. This mode of drawing will permit the whole Lottery to be completed at One Drawing Only—and a Ticket Drawing a superior prize inferior one also. Many tickets will therefore necessarily obtain two prizes each!!

PRIZES payable in cash sixty days after the drawing, subject to the usual deduction of 15 per cent. The Tickets in this Brilliant and Splendid Scheme are going off rapidly at the following low rates, viz:

DECISIONS OF THE COURT OF APPEALS OF MARYLAND PUBLISHED By Subscription.

THE DECISIONS OF THE COURT OF APPEALS OF MARYLAND, To be Reported by Thomas Harris, Esquire, Clerk of the Court of Appeals, and Reverdy Johnson, Esquire, Attorney at Law.

These Decisions will form a continuation of the first volume of Reports already published by Messrs Harris and Johnson, which closes with the year 1805. It is proposed to publish ten Decisions in a Series of Numbers, each to contain not less than one hundred and twenty five pages, and four numbers to constitute a volume. The last number of each volume will contain a full and complete Index. This mode of publication is conceived to be a decided advantage which gives it a decided preference to that of publishing the Reports in bulky volumes. It ensures the earlier publication of the Reports, and as not more than four numbers will be published in a year, the expense will not be so sensibly felt.

TERMS. The price of each number of the Reports \$1 25, payable on delivery. Subscriptions to the above Work are received at GEORGE SHAW'S Store the Maryland Gazette Office, and the respective Offices of the County Clerks in this State.

RAGS.

Clean Linnen and Cotton Rags, will be purchased at the Store of the subscriber G. SHAW.
