

The Next Lottery.

Cohen's Office—Baltimore,
February 24, 1826.
The drawing of the Grand State Lottery of Maryland, which took place at Baltimore on the 15th inst. agreeably to announcement, resulted as usual, with splendid success, to Adventurers at Cohen's Office, where besides various other Capitals of importance, the great Capital prize

\$100,000

was sold in One Half and two Quarter Tickets, and all of them owned by distant adventurers.—The Half in Romney, Hampshire County, Virginia, by Messrs. Charles H. Clark and James Gibson—One Quarter by Mr. Jacob Wolfgang of York County near Hanover, Pa. (Both of these Shares have been already presented and the Cash instantly paid, as usual at Cohen's Office.) The remaining Quarter, which is held in Philadelphia, has not yet been presented. The names of the above gentlemen are mentioned by permission.

We have now the pleasure to present to the public, the next scheme of the

The odd numbers are those ending with 1, 3, 5, 7, or 9. The even numbers are those ending with 2, 4, 6, 8, or 0. This mode of drawing not only enables the Commissioners to complete the whole Lottery in one drawing, but has the great advantage of distributing the small prizes regularly to every alternate number in the scheme, so that the holder of two tickets or two shares of tickets, (one odd and even number) will be certain of obtaining at least one prize, and in the same ratio for any greater quantity.

A Ticket drawing a superior prize in this scheme is not restricted from drawing an inferior one also—many tickets therefore, will necessarily obtain two prizes each!

DECISIONS OF THE COURT OF APPEALS OF MARYLAND PUBLISHED By Subscription.

THE DECISIONS OF THE COURT OF APPEALS OF MARYLAND,

To be Reported by **Thomas Harris, Esquire, Clerk of the Court of Appeals, and Reverdy Johnson, Esquire, Attorney at Law.**

These Decisions will form a continuation of the first volume of Reports already published by Messrs Harris and Johnson, which closes with the year 1805. It is proposed to publish the Decisions in a Series of Numbers, each to contain not less than one hundred and twenty five pages, and four numbers to constitute a volume. The last number of each volume will contain a full and complete Index. This mode of publication, it is conceived possesses advantages which give it a decided preference to that of publishing the Reports in bulky volumes. It ensures the earlier publication of the Reports, and as not more than four numbers will be published in a year, the expense will not be so sensibly felt.
TERMS.
The price of each number of the Reports will be \$1 25, payable on delivery.
Subscriptions to the above Work are received at GEORGE SHAW'S Store the Maryland Gazette Office, and the respective Offices of the County Clerks of this state.

RAGS.
