The public as well as venders and adventurers generally, will please to take notice, that there is not any Lottery at present advertised to be drawn between the 20th and the 30th day of October-therefore, as the Manager of the University Lottery has fixed upon a day for the drawing of the 10th Class, considerably beyond or previous to the time of drawing of any other Lottery or Lotteries, by any Managers or Commissioners of such Lotteries, of any Contractors therefor, he respectfully requests of them all, and severally, not to interfere with his Tenth Class, by the drawing of any other Lottery, during the one week at least, commencing on the 23d and ending on the 28th of October, which request, he hopes and trusts will be noticed, and treated with that respect and reciprocity which he has a right by rules of common courtesy, if by no other, to anticipate at their hands.

P C. has the pleasure of presenting his friends and patrons with another Scheme-that of the Tenth Class which will posisively be drawn at the ime mentioned.
