PROPOSAL FOR PRINTING
The Journals of the Conventions of the Province of Maryland,
Held in the City of Annapolis, in the years 1774, 1775 and 1776.

If sufficient encouragement be offered, the Subscriber proposes to publish, in one volume octavo, the Journals of the Conventions of the Province of Maryland in the years 1774, '75 and '76. It is believed that there are not more than two copies of these Journals now extant; and from the circumstance that they were printed in pamphlet form, and unbound, it may be fairly concluded that they, too, must in a few years be destroyed by the mere decay of time. These Journals are the only authentic evidence of the Political History of Maryland, during that interesting and unquiet period. Although we have, in abundance, histories of Maryland, as connected with the association of Provinces and Colonies, at that time formed, for mutual protection against the improper assumption of power on the part of the Mother Country, yet none of these works embrace what may be termed its Domestic and Internal Political History.
This part of the history of Maryland it should be her pride to hand down to posterity, not only on account of its deep interest, but as a public State Record of the voluntary sacrifices, daring spirit, and determined resolution, of her citizens, during this period of doubt and dismay.
In the confident expectation that the proposed publication of sufficient importance to entitle it to their patronage, the Subscriber is induced to issue these proposals.
The Price per Copy, Not to exceed \$2 00.

100 Dollars Reward.
Ran away from the subscriber's farm, on the head of South River, Anne Arundel county, state of Maryland, on Saturday night the 8th September 1827, two negro men. The one by the name of BEN, being the servant of Mrs. Sarah Wells of Annapolis, but the hiring of the subscriber for the present year. The other by the name of GEORGE, being my property.—Ben is a stout well made fellow, about 5 feet ten inches high, has a good set of teeth, is very black, and when spoken to is somewhat short and chuff in his answers; as well as recollected has some scars about the upper part of his breast or neck, and aged about 25 years; had on when he went away, a ticklenburg shirt and trousers. It is likely he has changed his clothes, as he had other and better clothes, which no doubt he has taken with him. George is about 27 years of age, five feet seven or eight inches high, pretty well made, he is an active, cunning, crafty fellow, his colour is swarthy black, rather inclined to yellow, he is pitted with the small pox, has a very bad countenance, when spoken to hangs his head and looks down, and his voice generally low. Had on when he went away, ticklenburg trousers and shirt, his other clothes not recollected, but as he had other clothing no doubt he carried it with him. He has a wife in Baltimore living on Federal Hill. I am informed he can read and write; and it is likely will write a pass himself. Both of these negro men were seen in Baltimore on Sunday the 9th instant. All persons masters or captains or commanders of vessels, are forbidden to employ or receive either of these negro men on board their vessels. Whoever takes up the said negro men, and secures them in goal so that I get them again, shall receive the above reward if taken out of this state, or fifty dollars for each, and if taken in this state and secured in goal so that I get them again, sixty dollars for the two; or thirty dollars for each.
