100 Dollars Reward.
Ran away from the subscriber's farm, on the head of South River, Anne Arundel county, state of Maryland, on Saturday night the 6th September, 1827, two negro men. The one by the name of BEN he being the servant of Mrs. Sarah Wells of Annapolis, but the hiring of the subscriber for the present year. The other by the name of GORRIE, being my property—Ben is a stout well made fellow, about 5 feet ten inches high, has a good set of teeth, is very black, and when spoken to is somewhat short and chuff in his answers; as well as recollects has some scars about the upper part of his breast or neck, and aged about 25 years; had on when he went away a tickleburg shirt and trousers. It is likely he has changed his clothes, as he had other and better clothes, which no doubt he has taken with him. George is about 27 years of age, five feet seven or eight inches high, pretty well made, he is an active, cunning crafty fellow, his colour is swarthy black, rather inclined to yellow, he is pitted with the small pox, has a very bad countenance, when spoken to hangs his head and looks down, and his voice generally low. Had on when he went away tickleburg trousers and shirt, his other clothes not recollected, but as he had other clothing, no doubt he carried it with him. He has a wife in Baltimore living on Federal Hill. I am informed he can read a write, and it is likely will write a pass himself. Both of these negro men were seen in Baltimore on Sunday the 9th instant. All persons masters or captains or commanders of vessels are forbidden to employ or receive either of these negro men on board their vessels. Whoever takes up the said negro men, and secures them in goal, so that I get them again shall receive the above reward if taken out of this state, or fifty dollars for each, and if taken in his state, and secured in goal so that I get them again, sixty dollars for the two; or thirty dollars for each.
