PROPOSAL

FOR PRINTING
**The Journals of the Conven-
tions of the Province of Ma-
ryland,**
Held in the City of Annapolis, in the
years 1774, 1775 and 1776.
If sufficient encouragement be of-
fered, the Subscriber proposes to pub-
lish, in one volume octavo, the Jour-
nals of the Conventions of the Provin-
ce of Maryland in the years 1774, '5
& '6. It is believed that there are no
more than two copies of these Jour-
nals now extant; and from the circum-
stances that they were printed in pam-
phlet form, and unbound, it may be
concluded that they, too, must in a
few years be destroyed by the mere de-
cay of time. These Journals are the
authentic evidence of the Political His-
tory of Maryland, during that interest-
ing and unquiet period. Although
we have, in abundance, histories of
Maryland, as connected with the
secession of Provinces and Colonies,
that time formed, for mutual protec-
tion against the improper assumption
of power on the part of the Mother
Country, yet none of these works em-
brace what may be termed its Domestic
Internal Political History.
This part of the history of Mary-
land it should be her pride to have
left to posterity, not only as a
record of its deep interests, but as a
State Record of the voluntary sacri-
fices, daring spirit, and determined
solution, of her citizens, during the
period of doubt and dismay.
In the confident expectation that the
citizens of Maryland will consider the
proposed publication of sufficient im-
portance to entitle it to their patro-
nage, the Subscriber is induced to issue
these proposals.
The Price per Copy, not to ex-
ceed \$2 00.
