Swaim's Panacea,
 For the cure of Scrofula or King's Evil, Syphilitic and Mercurial Diseases, Rheumatism, Ulcers, Sores, White swellings, Diseases of the Liver and Spleen, General Debility, &c. and all diseases arising from impure blood. It has also been found beneficial in Nervous and Dyspeptic complaints.
 Price Two Dollars per Bottle, and Twenty Dollars per Dozen.
TO THE PUBLIC.
 In consequence of the numerous frauds and imitations practiced in reference to my medicine, I am constrained to change the form of my bottles. In the use of Panacea will be put up in round bottles, and sold gradually, with the following words blown in the glass, "Swaim's Panacea - Philadelphia".
 These bottles are much stronger than those heretofore used, and will not break, and are drawn without destroying the signature without which none is genuine. The medicine most consequently be known to be genuine when my signature is visible, to counterfeit which, will be punishable as forgery.
 The increasing demand for this celebrated medicine has enabled me to reduce the price to two dollars per bottle, thus bringing it within the reach of the indigent.
 My Panacea requires no economy; its astonishing effects and wonderful operation, have drawn, both from Patients and Medical Practitioners of the highest respectability, the most unqualified approbation, and established for it a character which envy's pen, though dipped in gall, can never tarnish.
 The false reports concerning this valuable medicine, which have been so diligently circulated by certain Physicians, have their origin either in envy or in the mischievous effects of the poisonous imitations.
 The Proprietor pledges himself to the public, and gives them the most solemn assurance, that this medicine contains neither mercury nor any other deleterious drug.
 The public are cautioned not to purchase my Panacea, except from myself, my accredited agents, or persons of known respectability; and all those who shall purchase from any other persons.
 Wm. Swaim, Philadelphia, Sept 1828.
 From Doctor Valentine Mott, Professor of Surgery in the University of New York Surgeon of the New York Hospital &c &c.
 I have repeatedly used Swaim's Panacea, both in the Hospital and in private practice, and have found it to be a valuable medicine in chronic, syphilitic and cutaneous complaints, and in obstinate cutaneous affections.
 Valentine Mott, M. D. New-York, 1st mo 5th, 1824.
 From Doctor William P. Dewees, Adj. Prof. of Surgery in the University of Pennsylvania, &c. &c.
 I have much pleasure in saying, I have witnessed the most decided and happy effects in several instances of venereal disease, from Mr. Swaim's Panacea, where other remedies had failed—was that of Mrs. Brown.
 Wm. P. Dewees, M. D. Philadelphia, Feb 20, 1823.
 From Doctor James Messer, Member of the American Philosophical Society, &c. &c.
 I cheerfully add my testimony in favour of Mr. Swaim's Panacea, as a remedy in Scrofula. I saw two inveterate cases perfectly cured by it, after the usual remedies had been long tried without effect—those of Mrs. Officer and Mrs. Campbell.
 James Messer, M. D. Philadelphia, Feb 10, 1823.
 The GENUINE PANACEA may be had, wholesale and retail, at the Proprietor's own prices, of

For Sale.
 The Subscriber offers for sale, the farm on which he now resides, containing about three hundred and fifty acres of excellent land, well adapted to all agricultural and planting purposes. He will sell this land in parcels, or the whole tract, to suit those inclined to purchase. The improvements on the estate are of the first order; the dwelling is large and commodious, with a large kitchen, in pretty good repair. The garden is one of the finest in the neighbourhood, suitable to every horticultural design. It has also two young orchards, the one about two years old, the other fifteen, both composed of the choicest fruit. This land lies immediately contiguous to the city of Annapolis; about fifty acres are included within the bounds of the city, and on which stand all the buildings. This land is bounded on one side by a navigable creek making up the Chesapeake Bay. It would be a very desirable situation as a market farm, from the peculiar advantages which it possesses, being not more than two miles from the Bay. The public houses of the city are not more than a quarter of a mile from the dwelling. A further description is deemed unnecessary, as it is presumed that those desirous of purchasing will view the premises and its improvements for themselves. The terms will be made accommodating. Apply to the subscriber upon the premises, or to J. J. Spang, Attorney at law of the city of Annapolis.

PROPOSAL
 FOR PRINTING
 The Journals of the Conventions of the Province of Maryland, in the years 1774, 1775 and 1776.
 Held by the City of Annapolis, in the years 1774, 1775 and 1776.
 If sufficient encouragement be offered the Subscriber proposes to publish, in one volume octavo, the Journals of the Conventions of the Province of Maryland in the years 1774, '75 and '76. It is believed that there are not more than two copies of these Journals now extant; and from the circumstance that they were printed in pamphlet form, and unbound, it may be fairly concluded that they, too, must in a few years be destroyed by the mere decay of time. These Journals are the only authentic evidence of the Political History of Maryland, during that interesting and unquiet period. Although we have, in abundance, histories of Maryland, as connected with the association of Provinces and Colonies, at this time formed, for mutual protection against the improper assumption of power on the part of the Mother Country, yet none of these works embrace what may be termed its Domestic and Internal Political History. This part of the history of Maryland it should be her pride to hand down to posterity, not only on account of its deep interest, but as a public State Record of the voluntary sacrifices, daring spirit, and determined resolution; of her citizens; during this period of doubt and dismay. In the confident expectation that the citizens of Maryland will consider the proposed publication of sufficient importance to entitle it to their patronage, the Subscriber is induced to issue these proposals.
 The Price per Copy, not to exceed \$3 00.
