These bottles are much stronger, than those heretofore used, and will have but one label, which covers the cork, with my own signature on it, so that the cork cannot be drawn without destroying the signature, without which none is genuire. The medicine mos consequently be known to be genuise when my signature is visible; to cons-terfeit which, will be punishable as

forgery.
The increasing demand for this es. lebrated medicine has enabled me to reduce the price to two dollars per bot-tle, thus bringing it within the reach of the indigent.

My panacea requires no encomiam-its astonishing effects and wonderful operation, have drawn, both from Paient- and Medical Practitioners of the highest respectability, the most unqua-lified approbation, and established for it a character, which envy's pen, the dipped in gall, can never tarnish. The false reports concerning this valuable medicine, which have been se

diligently circulated by certain Physicians, have their origin either in eary or in the mischievous effects of the spurious imitations.

The Proprietor pledges himself to the public, and gives them the most

olemn assurances, that this medicine contains neither mercury, nor any 6ther deleterious drug. The public are cautioned not to purchase my Panacea, except from my-

self, my accredited agents, or persons of known respectability, and all those will consequently be without excess, who shall purchase from any other persons. Wm S' Philadelphia, Sept. 1828. Wm SWAIM From Doctor Valentine Mott, Profes
