Swaim's Panacea.

For the cure of Scrofula or King's Evil, Syphilis and Mercurial Diseases, Rheumatism, Ulcerous Swellings, White Swellings, Diseases of the Liver and Skin, General Debility, &c. and all diseases arising from impure blood. It has also been found beneficial in Nervous and Dyspeptic complaints. Price Two Dollars per bottle, and Twenty Dollars per Dozen.

TO THE PUBLIC.

In consequence of the numerous frauds and impositions practised in reference to my medicine, I am again induced to change the form of my bottles. In future, the Panacea will be put up in round bottles, fluted longitudinally, with the following words blown in the glass, "Swaim's Panacea—Phila'da."

These bottles are much stronger than those heretofore used, and will have but one label, which covers the cork, with my own signature on it; so that the cork cannot be drawn without destroying the signature, without which none is genuine. The medicine was consequently known to be genuine when my signature is visible; to counterfeit which, will be punishable as forgery.

The increasing demand for this celebrated medicine has enabled me to reduce the price to two dollars per bottle, thus bringing it within the reach of the indigent.

My Panacea requires no economy; its astonishing effects and wonderful operation, have drawn, both from Patients and Medical Practitioners of the highest respectability, the most unqualified approbation, and established for it a character, which every pen that dipped in gall, can never tarnish.

The false reports concerning this valuable medicine, which have been so diligently circulated by certain Physicians, have their origin either in envy or in the mischievous effects of the spurious imitations.

The Proprietor pledges himself to the public, and gives them the most solemn assurances, that this medicine contains neither mercury, nor any other deleterious drug.

The public are cautioned not to purchase my Panacea, except from myself, my accredited agents, or persons of known respectability, and all those who consequently be without excuse, who shall purchase from any other persons. Wm. SWAIM, Philadelpha, Sept. 1829.

From Doctor Valentine Mott, Professor of Surgery in the University of New York; Surgeon of the New York Hospital, &c. &c.

I have repeatedly used Swaim's Panacea, both in the Hospital and in private practice, and have found it to be a valuable medicine in chronic syphilis and scrofulous complaints, and in obstinate cutaneous affections.

Valentino Mott, M. D. New York, lat mo 5th, 1824.

From Doctor William P. Dewees, Adjunct Professor of Midwifery in the University of Pennsylvania, &c. &c.

I have much pleasure in saying, I have witnessed the most decided and happy effects in several instances of inveterate disease, from Mr. Swaim's Panacea, where other remedies had failed—one was that of Mrs. Brown, Wm. P. Dewees, M. D. Philadelpha, Feb. 20, 1823.

From Doctor James Mease, Member of the American Philosophical Society, &c. &c.

I cheerfully add my testimony in favour of Mr. Swaim's Panacea, as a remedy in Scrofula. I saw two inveterate cases perfectly cured by it, after the usual remedies had been long used without effect—those of Mrs. Olfert and Mrs. Campbell.

James Mease, M. D. Philadelpha, Feb. 18, 1823.
