Swain's Panacea

For the cure of Gonorrhoea, Stricture, Syphilis, and all venereal Diseases, Rheumatism, Ulcers, Hæmorrhoids, Whites, Swellings, Dropsy, the Liver and Spleen, General Debility, and all diseases arising from a disordered State of the Blood, and from a disordered State of the Digestive Compounds.
Price Two Dollars per Bottle, and Five Dollars per Dozen.

TO THE PUBLIC.

In consequence of the numerous impositions practised in reference to my medicine, I am again induced to publish the name of my bottles. In future, the Panacea will be put up in round bottles, fitted up with the following words, written in the glass "Swain's Panacea—Phila." These bottles are much stronger than those heretofore used, and will save but one label, which covers the cork, with my own signature on it, so that the cork cannot be drawn without destroying the signature, without which, no one can be genuine. The medicine must consequently be known to be genuine when my signature is visible; to counterfeit which, will be punishable as forgery.

The increasing demand for this celebrated medicine has enabled me to reduce the price to two dollars per bottle, thus bringing it within the reach of the indigent.

My Panacea requires no opium; its soothing effects and wonderful operation, have drawn both from Patients and Medical Practitioners of the highest respectability, the most unqualified approbation, and established for it a character, which every man who is acquainted with the medicine, will be persuaded is not to be counterfeited which, will be punishable as forgery.

The Proprietor pledges himself to the public, and gives them the most solemn assurance, that this medicine contains neither mercury, nor any other deleterious drug.

The public are cautioned not to purchase my Panacea, except from myself, my accredited agents, or persons of known respectability, and all those will consequently be without excuse, who shall purchase from any other persons.
WM SWAIM.

Philadelphia, Sept. 1828.

From Doctor Valentine Mott, Professor of Surgery in the University of New York, Surgeon of the New York Hospital, &c. I have repeatedly used Swain's Panacea, both in the Hospital and in private practice, and have found it to be a valuable medicine in chronic, suppurative and serofulous complaints, and in obstinate cutaneous affections.

New York, 1st mo 5th, 1824.

From Doctor William P. Dewees, Adjunct Professor of Midwifery in the University of Pennsylvania, &c. &c. I have much pleasure in saying, I have witnessed the most decided and happy effects in several instances of intractable disease, from Mr. Swain's Panacea, where other remedies had failed—One was that of Mrs. Brown.

Wm. P. Dewees, M. D.
Philadelphia, Feb. 20, 1823

From Doctor James Mease, Member of the American Philosophical Society, &c. &c. I cheerfully add my testimony in favor of Mr Swain's Panacea, as a remedy in Scrophula. I saw two intractable cases perfectly cured by it, after the usual remedies had been long tried without effect—those of Mrs. Offner and Mrs. Campbell.

James Mease, M. D.
