For the Maryland Guzette. WINTER.

WIN EST.

Ill the trees are dropping their c'othing—
eally the winter blast sweeps g'er the vale;
the herself, is dischered distribute,
paring to meet the rude coming gale,
the serdure of late, which covered our plain,
e grass once so green, is night by the frost;
aring shalf return in splendour again,
e beauties of summer to mortals are lost, The beauties of sommer to mortals are lost, be cold chilling wind, which drives of er the dand, in its train, comes of courses, suow, rain, and lail, be stranger, behold! how he shivering stands. The pelting of sleet, and the pittless gale; is eve, now so dim, once with energy shone—Historm, once erect—is sinking apace—equiveing stands, forsaken along,

Death is approaching, how pale is his face, wandering as a color, in the wanderings are o'er, in the grave now he rests— His sorrows are husbid, in peace sleeps his dust; Ill the Saxiour appears, then he with the bleat, Will join the redeem'd, the upright, and just

#### A FAIR.

The Citizens of Amongolis are respectfully found, that a Fair will be held for the bone of the Female Orphan Society, early in Jacoby next, of which further notice will be givi due time. - Encouraged by the successible has hitherto attended their exertions, the inh has hitherto attended their exertions, the magars of the said. Institution look forward to tope and confidence to the result of the sent, effort—they solicit public patronage, dispipers, hitherto liberally afferded; and sy-hope they may be permitted to say justly preciated. The May agers call upon those has whose taste and fancy have heretofore in exercised for the benefit of the destitute for the destitute of the destitute for the property with unshated energy. u to come forward with unabated energy labour of love; and they trust they are so sanguine in hoping that some will unite them, now that the salatary effects of the itation have become apparent, who did not mit expedient to do so, before it had been bently tested. Those Ludies who are not a situation to give the materials, yet ariration to Mrs Ridout, who is authorized urnish such out of the funds of the Society

MACKAREL FISHERY.

We believe the extent to which these fish-ies is carried on from the towns on Massachu were not aware of it, and of th contance of encouraging this branch of in siry which not only furnishes the means of playment to a large number of persons but of great consequence to the commercial of great consequence to the commercial derests of the country in affording a good absert for seamen. We have seen a pamphie cently printed containing, 'A statement of the Quantity of Markarel packed from Hing an vessels from 1818 to 1828 inclusive.' ears from this statement, there has been intown a gradual increase during the above the town a gradual increase during the abovi-erial of ten per cent, a year. In 1815 the umber of barrels packed in that town was 5.5; in 1818, 35.313. During the last year 54 ifferent vessels were employed from that place a ne business, some for the season and some ir a shorter period. There were 15 employed by while season, averaging 1027 barrels and whole season, averiging 1027 barrels each

TRUE BELLEVERS AT MEKKA. The well Zenizem is supposed to be the spring and in the wilderness by Hagar, at the mo ent when her infant son Ismayl was dving therst. The water is regarded as an infall-cure for all diseases; and the devotees be-ince that the more they drink of it the better eir health will be, and the prayers be the ore acceptable to the Deity. A man who ired in the same house with me and who was like of an intermittent fever, repaired every exening to the Zemzem, and drank of the water like was almost fainting; after which he lay for several hours extended upon his back on the payement near the Kaba, and then returned to renew his draught. When by this practice he was brought to the verge of death, he declared himself fully convinced that the increase his illness proceeded wholly from his being mable to swallow a sufficient quantity of water!—I witnessed the enthusiasm of a Dar water who are water as the control of the subscriber, at or before the 5th day of August next, they may other water with a sufficient quantity of water!—I witnessed the enthusiasm of a Dar water water who are water water.

Nov. 19. the same house with me and who was ed to renew his draught. When by this practice he was brought to the verge of death, he de-clared himself fully convinced that the increase pilgrim who arrived at Mekka our the last ight of Ramadhan. After a long journey across arren and solitary deserts, on his entry into he illuminated Temple-(which can contain 5,000 pilgrims in the act of prayer) he was much struck with its appearance, and over red by the black Kaaba, that he fell prostrate se by the place where I was sitting, and tose by the place where I was sitting, and mained long in that posture of adoration. He then rose, burst into a flood of tears and a the height of his enotion, instead of recing the usual prayers of the visitor, only exclaimed, 40 Gad now take my soul for this is aradise!"-Burckhard's Travels in Arabia.

Care of a Snake bite by common Hartshorn A physician in a Calcutta paper, gives an acount, of which the following is an extract, of count, of which the following is an extract, of an instantaneous cure by the use of hartshorn. If the dangerous bite of the species of snake called Karaite. 'A young, stout Hindoo, a bout 20 years of age, was brought to my house, accompanied by his mother, together with a crowd of natives, in a state of insensibility, and apparently dead, from the bite of a snake, which accident had occurred a few minutes before my assistance was required. The teeth of the patient were firmly clenched, and to every appearance he was at the last extremity. I im ppearance he was at the last extremity I in mediately forced his mouth open and poured into his throat about an ounce of common harts-This medicine acted-like a charm-th norn. In smedicine atted like a charm—the instantly vanished and the instantly started from the horizontal into an effect posture—opening his eges, yet seeming the pable of understanding what was besing. Half an ounce more of hartshorn was administered, after which he draw a deep inspiration; inquiring where he was, and he necession of having been brought termy love. rought to my house. He then drank plenti- | Nov. 19.

fully of water, and every unfavourable symptom disappeared; he who had half an kour before been conveyed to me while in the jaws of death. I had the inexpressible satisfaction of seeing him walk forth followed by the crowdcand return home, barely supported, by the persons who had brought his apparently lifeless body to my house. The wound which was in the aukle, was slee washed with Ammonla.

# JOURNAL OF HEALTH.

· Health - the poor man's riches, the rich man's bliss

"Health the por man's cickes, the rich man's bliss."

The primary object with the conductors of the Journal of Health, is to point but the fam of preserving health and preventing di case. A statis thragail classes and hotherers shall be a dressed, in a style familiar and friendly, and with an avoidance of such professional terms and albasions as would in any way obscure the subject or alarm the most fastidious. The fruits of much reading, study, and careful observation, shall be placed before them, so arranged and applied, as to conclude most efficaciously to their bolity comport and mental tranquility. To whatever profession or calling they may belong, the readers of this Journal will find precept susceptible or valuable application. Air, food, efficies, the reciprocal operation of mind and body, climate and localities, clothing and the physical education of children, are topics of permanent and pervading interest, with the discussion and cluckdation of which the pages of the work will be mainly filled.

be mainly filled Recommendation of the work.

We approve of the plan on which the publication, entitled the Journal of Health" is conducted, and believe, that it is calculated to be useful, by enlightening public opinion on a subject of high, importance to the welfare of society. The numbers which have appeared, evince talent, and may be viewed as a pledge of the continued usefulness of the publication while conducted by its present editors. We, therefore, feel no hesitation in recommending it to public patronage.
