Swain's Panacea

For the cure of Scrophulous or King's Evil, of the Lungs and Mercurial Diseases, Rheumatism, Ulcerous Sores, White Swellings, Diseases of the Liver and Spleen, General Puffiness, &c. and all Diseases arising from impure Blood. It has also been found beneficial in Nervous and Dyspeptic complaints.
Price Two Dollars per bottle, and Ten Dollars per Dozen.

TO THE PUBLIC.

In consequence of the numerous frauds and impositions practised in reference to my medicine, I am again induced to change the form of my bottles. In future, the Panacea will be put up in round bottles, fitted longitudinally, with the following words blown in the glass.

"Swain's Panacea—Philadelphia."
These bottles are much stronger than those heretofore used, and will have but one label, which covers the cork, with my own signature on it, so that the cork cannot be drawn out, without destroying the signature, without which it is spurious. The medicine must consequently be genuine. To be genuine when my signature is visible, to counterfeit which, will be punishable as forgery.

The increasing demand for this celebrated medicine has enabled me to reduce the price to two dollars per bottle, thus bringing it within the reach of the indigent.

My Panacea requires no encaumion; its salutary effects, and wonderful operation, are drawn both from Patients and Medical Practitioners of the highest respectability, the most unqualified approbation, and established for a character, which envy's pen, tho' dipped in gall, can never tarnish.

The false reports concerning this valuable medicine, which have been so diligently circulated by certain Physicians, have their origin either in covin or in the mischievous effects of the spurious imitations.

The Proprietor pledges himself to the public, and gives them the most solemn assurance, that this medicine contains neither mercury, nor any other deleterious drug.

The public are cautioned not to purchase my Panacea, except from myself, my accredited agents, or persons of known respectability, and all those will consequently be without excuse, who shall purchase from any other persons.

Philadelphia, Sept. 1828
From Doctor Valentine Mott, Professor of Surgery in the University of New York, Surgeon of the New York Hospital, &c.
I have repeatedly used Swain's Panacea, both in the Hospital and in private practice, and have found it to be a valuable medicine in chronic, syphilitic and scrophulous complaints, and in obstinate cutaneous affections.

Valentine Mott, M. D.
New-York, 1st mo 5th, 1824.

From Doctor William P. Dewees, Adjunct Professor of Midwifery in the University of Pennsylvania, &c. &c.
I have much pleasure in saying, I have witnessed the most decided and happy effects in several instances of inveterate disease, from Mr. Swain's Panacea, where other remedies had failed—one was that of Mrs. Brown.
Wm. P. Dewees, M. D.
Philadelphia, Feb. 20, 1823

From Doctor James Messer, Member of the American Philosophical Society, &c. &c.
I cheerfully add my testimony in favor of Mr. Swain's Panacea, as a remedy in Scrophulous, I saw two inveterate cases perfectly cured by it, after the usual remedies had been tried without effect—those of Mrs. Offer and Mrs. Campbell.

James Messer, M. D.
Philadelphia, Feb. 1823.
