tiwas, however, when the Buke of Wellington spoke on the subject of Parlimentary reform, that not only the indignation of Parliment, but also of the people was raised boud and strong against him. On this subject his Grace said, he was not prepared with any measure of reform, and so also was the government.

Parl Grey spoke in opposition to the Premier, as well as many other distinguished members of the House of Lords: and in the debate of the following svening (3d Nov.) the Earl Winchelses—fill now of the Minhaerial party, said.

If that passage of the Noble Duke's speech which related to Parlimentary Reform had been framed with related to Parlimentary Reform had been framed with a view of concillating and gaining the support of the hobic and high minded Noblemen with whom he was usually united, he could tell the Noble Duke that he usually united, he could tell the Noble Duke that he most pfficient men in the administration. The present Ministers were not in possession of the confidence of the country and other individuals placed in their station must rescue the country from danger their station must rescue the country from danger their station must rescue the country from danger traton, and confidence in the present administration, and could only place confidence in such men all the Roble Puke, (Richmond, we believe,) and side the Roble Puke, (Richmond, we believe,) and side the Roble Refur (Birchmond, we believe,) and side to subject the light of the country. Such men, allefted its the history of the country, and place believed the light of the country, and place believed the light of the country, and place believed to the subject, who had always acted the subject of the country, and place believed to the light of the country, and place believed to the light of the country, and place believed to the light of the country, and place believed to the subject of the country, and place believed to the light of the country, and place believed to the light of the country. And place believed to the light of the countr
