TO THE PUBLIC.

Two charges have been made against the Maryland Republican of the 8th inte the signature of Jeremiah Hughes, edic As nothing but a sense of duty, could

duce me to notice any thing coming fine quarter, I wish it to be understood, in the set of this business, that it forms name my present purpose, to satisfy Mr. His suspicions, nor can I be induced to ke to a controversy with him.

Responsible, however, to the public he faithful discharge of my duties, as a poblicer, I am bound to meet promptly before public, any charges made against me is haracter.

It appears from Mr. Hugher states that on Monday, 27th Dec. he placed in posals for public printing in the handed governor, in consequence of an adverfrom the council chamber, inviting and posals until that day. That the Government posate until that day. That the Gore communicated these proposals, and these to both branches of the legislature, of in nesday, 29th, and that on Thursday the when the joint committee on public me when the joint committee on public me were sitting in the library, and deliber on these proposals of Mr. Hughes, if exists eroom, and conferred apart with the members of the committee, who is upon informed the committee, who is upon informed the committee that the posals were about to be sent for their electric trans not too late to receive other there it was not too late to receive other than all. On being asked for them, and "posals. On being asked for them the committee night determine before we ting Mr. Murray replied that the Goren message was not quite ready. It was called to adjourn and meet again."

Mr. Hughes then goes on to state, the signs two reasons.— .

The first does not concern me, and my ject is only to refute what relates to my

The second reason is in these words—
On the present occasion it was not
by Mr. Thompson, who appeared a
representative of Mr. Green before the chairmen of the joint committee of la wevening, at an hour appointed by the whave a conference with Mr. Green and "self, that Mr. Green's proposals were be ded in to Mr. Murray on Monday. He "ready to prove the fact. On creas questing, however, he admitted, perhaps in "tiously, that they had been withdran that same day after being in, and win in at the close of that day withdrawn the purpose, he said, of being either alter tretained, according to circumstances "with the understanding with Mr. That they were nevertheless to be considered in.
