amounted to nearly 300. The special com-ission to try them, was opened on the 18th. A force of 400 constances had been sworten by

ST. MARY'S COLLEGE

ST. MARY'S COLLEGE
BALTIMORE.

In calling the attention of the public to the course of studies pursued in this institution, the Faculty believe that they effectually respond to the just and increasing interest manifested throughout the State, on the subject of education. The spirit of enquiry which is awakened, suggests the propriety of solicular, investigation—and the present condition of the College encourages us to look with confidence to the nature of the result.

The existent of instruction embraces the various

PROSPECTUS.

St. Mart's College enjoys the advantages of a most healthful and pleasant situation, in the northwestern part of the city of Bilimorie. The buildings are enflicient for the accommodation of one hundred and fifty hostiers, and affort the facility of appropriating a superate room to each class of the various, literary departments. The halls for meals, study, and recreation, are specious, the dormitories airy, and divided into separate aleaves, one for each pupil. The growinds, forming an area of about sevent "seres, he laid out with a view to the health and recreation of the students.

In the month of January, 1305, this Institution was raised in the rank of Universative by the Legislature of Mary hand and empowered to hold Public Commencements, and to a finity any of its students to any Degree or Degrees in any of the faculties, aris, and sciences, and liberal professions, which are usually permitted to no optional, and Chemical Apparatus.—The library consists of about 10,00 volumes.
