Rev. Hector Hunringers, A. M. Principal, and Professor of Moral Science. EDWARD SPARKS, M. D. Professor of Ancient Languages. THOMAS E. SUDLER, A. M. Professor of Mathematicks and Civil Engineering.

REV. JOHN DECKER, A. M. Professor of Grammar. CHARLES T. FLUSSER.
Professor of Modern Languages. Present number of Students, 63.

The following information, by order of the Board, will show the present state and prospects of the Institution.

The Professor of Grammar, will take charge of the English Department, and will have its classes under his inspection, at the College, during the hours prescribed by the Board. Besides the ordinary course of instruction in this department, Students will be fitted for admisrinto College, and they may take standing reshmen, whenever they shall sustain an as Freshmen, whenever they sexamination on the following

PREPARATORY STUDIES, VIZ.

English Grammar; Geography: Arithmetick; Latin Grammar; Corderius; Æsop's Fables Erasmus; Casar's Commentaries, or Sillust: Eclogues, and first six books of the Eneid of Virgil; Mair's Introduction, or Latin Tutor Greek Grammar; Greek Delectus; and Jacob's Greek Reader; and Prosody.

Pupils not intending to enter College, will also be received into the English Department, and will pursue such branches of Education. and will pursue such pranches of Functional embraced in the course, as may suit their particular views. A course of Lectures on Education in Primary Schools, will be delivered, whenever a class of young men shall have been formed, who may wish to qualify themselves to become Weachers.

The course of studies for the classes in College, have been arranged as follows, viz,

FRESHMAN CLASS. Folsom's Livy Green Majors — (Xenophon, Hero dotus, Thucydides.) Greek and Roman Antiquities 1st Term. History, and Mythology. Horace, (Odes)-Virgil's Geor

gicks Green Majora. (Lysias, Demost-henes, Isocrates.) Algebra, with Arithmetic revised. ad Term. florace, (Satires and Epistles.) Graces Majora, (Xendphon's Memo-rabili, Plavo.)

Civil Engineering—(construction, of Machines, Brulges, Roads, Canals, &c.)
Mineralogy and Geology.
Declamations of Original Pieces, Extemporaneous Debates, and externing Criticians, during the 3d Term.

ercises in Criticism, during the vear. The study of the Modern Languages, shall

be so arranged, as not materially to interfere with the College course.

The officers of instruction, will endeavou to make the course of study as thorough as pos-sible; and in no case will a Scholar be allowed to pass, to an advanced standing, till he shall have sustained all the previous examinations, to the satisfaction of the Faculty.

in Rhetorick and Oratory; and one forenoon of each week, will be spent, drilling the Students, in a thorough course of Reading and Speaking.

These exercises will be conducted by the Prindowed, in the year 1784, under the suspices of dowed, in the year 1784, under the suspices of and the public generally, that he has will always be required to declaim pieces of men venerable for their patriotism and learning. will always be required to declaim pieces of will always be required to declaim pieces of their own composition. The Classification, which takes place at each general Examination, subjects those who are deficient, to the necessity of remaining in a lower grade; white, on the other hand, the hope of reaching a high standing, in a shorter than ordinary period, is held out to all who are ambitious to advance at a more rapid rate, than the usual average of a Class. A nerunaneut record of the relative standing of permanent record of the relative standing of the Members in each Class, is kept by the Fathe Members in each Class, is kept by the Par-culty, and servers as a guide, in awarding the honors of the College. The principal test of the Student's proficiency, will be bound in the Lecture Room, where he will sindering an Exami-nation of one hour's duration, for each Lesson; and those Members of the higher Classes, who are permitted, under the discretion of the Principal, to have their rooms out of College, wil be visited, by the Principal, and the Professors during the hours appointed, for their encourage ment and aid in the prosecution of their stu-dies. They must not be absent themselves from their rooms, during the hours of study, especi ally in the evening, except by permission from one of the Faculty; and a close attention will be paid to the habits of the Saudents, that good norals may be cultivated and preserved.

PUBLIC WORSHIP. The Students will be required to attend public worship, in this City, both morning and af-ternoon; and Monitors for the several Churches will make returns of all absentees, who will give an account of their absence to the Princi-pal. The Roll will be called, also, before the daily devotions at the College. No Student will. daily devotions at the Coirge. An Education, at any time, leave the City, without express leave obtained from the Principal. That the public may rest assured of the prevalence of no particular sectarian influence at this College, the following clause is extracted from the Charter; with the letter and spirit of which, the ter; with the letter and spirit of which, the Officers of instruction, will invariably comply. The second section of the thirty seventh chapter of the laws of Maryland, required, that the said College shall be founded and main tained forever, upon a most liberal plan, for the benefit of youth of every religious denomination, who shall be freely admitted to equal privileges and advantages of education, and to all the literary honours of the College, according to their merit, without requiring or enforcing the literary honours of the College, according to their merit, without requiring or enforcing any religious or civil test, or origing their attendance upon any particular religious worship or service, other than what they have been educated in, or have the consent and approbation of their parents or grandans to attend."

DISCIPLINE, &c. A record of all deficiencies at College exer-A record of an observations at Conege exer-ises will be kept, and sent to each parent or quardian, at the close of every term. And, shenever a Sudent shall be found failing to secure the end for which he will have been daced at the College, he may be sent home privately, except in cases of a misdemeanour, or offence against the laws, when he shall be punished by the ordinary penalties. By the adoption of a kind and parental demeanour, on the chart of the content of the conten part of the Officers, it is hoped that such extreme cases will be avoided; and from the various advantages of location for the College. various advantages of foration for the Collegi-it is believed, that few places promise this im munity, in a higher degree, than the City of Annapolis. Its population is not large—the situation is central—its healthfulness, is sur passed by that of no place in the Southern States—access to the College, from all parts of the Union, by which parents would wish to hold communication with their sons, is most frequent and easy, and the expenses of living are comparatively small. Annapolis is the Seat the Government of the State; and the time of the Annual Commencements, which hap-pens during the Session of the Legislature, af-fords a high incentive to young men, to distinguish themselves, by their literary performances.

Candidates for any standing in the College, will be required to bring from their teachers, testimonials of good moral character; and, in no case, will a Student be received from any other College, to the same standing in this, unless he shall bring, from the President, or other authority of such College, a certificate of his honorable disnictions. ADMISSION. able dimission.

clamations during the year

orace? De Arte Poetica, with Lectures on Taste, and a Revision of Latin. EXPENSES, &c. terly, and in advance-

\$40 do. do.

Senior and Junior Classes, - 850 do. do. An abstement of the College bills may be made, to necessitous Students; and provision is secured for the gratuitous instruction of ten tudents, who may bring the proper testimonals for that purpose.

COMMENCEMENTS.

The Annual Commencements, take place in The Annual Commencements, take place to February, when all Degrees are to be conferied. The Faculty will assign to the Candidates for the Baccalaureate, and for the Master's Degree, the parts to be performed; and if any one should refuse the part assigned, or neglect o attend, his Degree may be withheld.

The regular Vacations, shall be from the last wednesday in July, till the first Monday in September—from the 23d of December, till the first Monday in January—from Good Friday, till the Monday week following; and the Fourth of July.

of July.

The alterations, in the course of studies. The alterations, in the course of studies, which have taken place, on the late appointment of a Principal, seemed to be required, by the Lectures will be delivered, as heretofore, by the Principal and the other Principal and the course shall be permanently supplied.—

Particular attention will be given to exercises

The alterations, in the course of studies, which have taken place, on the late appointment of a Principal, seemed to be required, by the general advancement of Education; and it is hoped, that the advantages for a substantial and complete agraintance with the several branches of knowledge, which the Institution now holds out to the public, will meet the wants and wish-

Sr. John's College, was founded and endowed, in the year 1784, under the auspices of men venerable for their patriotism and learning, and has the hunour of having educated for the State, some of her most distinguished public men. The Board of Vistrons and Governous, in their efforts to discharge the duties of the trust devolving upon them, look for the cordial approbation and co operation of the alumni of their alma mater, and for such a portion of the public favour, as may seem due to an ancient and cherished Seminary of the State, that her stidenes and usefulness, may be perpetual.
