Logick, and philosophy of the Mind Political Economy—with Lectures, Political Economy—with Lectures, Buidences of Christianity, & Na-

Evidences of Christinaity, & Natural Theology,

[Laws of Nations; Constitution, and Civil and Political History of the United States.

Butler's Analogy.

Civil Engineering—(construction, of Machines, Bridges, Roads, Canals, &c.)

Mineralogy and Geology.

Declamations of Original Piéces, Extemporaneous Debates, and exercises in Criticism, during the

ercises in Criticism, during the year.

The study of the Modern Languages, shall be so arranged, as not materially to interfere with the College course.

The officers of Instruction, will endeavour to make the course of study as thorough as possible; and in no case will a Scholar be allowed to pass, to an advanced standing, till he shall to pass, to an ansanceu standing. It is analy have sustained all the previous examinations, to the satisfaction of the Faculty.

In the Departments of Chemistry and Natu-In the Departments of Chemistry and Natural Philosophy, instruction will be given, and Lectures will be delivered, as heretofore, by the Principal, and the other Professors, until those Chairs shall be permanently supplied.—Particular attention will be given to exercises

in Rheibrick and Oratory; and one foremen of each week, will be spent, drilling the Students in a thorough course of Reading and Speaking. These purchase will be conducted by the Principal; and the Members of the Senior Classification, will always be required to declaim pieces of their own composition. The Classification, which takes place at each general Examination, subjects those who are deficient, to the necessity of remaining in a lower grade; while, on the subjects those who are deficient, to the necessity of remaining in a lower grade; while, on the other hand, the hope of reaching a high standing, in a shorter than ordinary period, is held out to all who are ambitious to advance at a more rapid rate, than the usual average of a Class. A permanent record of the relative standing of the Members in each Class, is kept by the Faculty and a service in each class. the Members in each Class, is kept by the Ka-culty, and-serves as a guide; in awarding the honors of the College. The principal test of like Student's preficiency, will be found in the Lecture Room, where he will undergo an Examination of one hour's duration, for each Lesson and those Members of the higher Classes, whate permitted, under the discretion of the Printipal, to have their rooms out of College, will be the control of the Printipal. visited, by the Principal, and the Professors be visited, by the Principal, and the processor-during the hours appointed, for their encourage ment and aid in the prosecution of their stu-dies. They must not be absent themselves from their rooms, during the hours of study, especi-site in the evening, except by permission from ally in the evening, except by permissi ne of the Faculty; and a close attention will norals may be cui ivated and preserved.

lic worship, in disting, he himomogrand af-ternoon; and Molings of the sever Concoes, forming and More partial discussions with will make returns of all a controls, who will give adopted to the form as the nation of Political The Roll was been as a set to Political The Roll was been as a set, before the large destines a track of a set of the large destines, have the Color, No Statem will at any time, have the Color, with 10 expressions.
