The circumstances attending the voyage of lowed his example.

The Antarctic sailed from New Yark, in September, 1829 on a voyage to the Bouth Beas, for the purpose of collecting a cargo of Beas, for the purpose of collecting a cargo of Beas, for the purpose of collecting a cargo of Beas, for the purpose of collecting a cargo of Beas, for the purpose of collecting a cargo of the skins. In October following she touched the salt necessary for the preservation of the skins expected to be taken; from theme a she shaped her course to New Zealand, but being disappointed in procuring akies there, the Captain determined on altering his voy; and touched the shore. At midday a number of cances put off from the other, is the Captain determined on altering his voy; as advanted in number to twenty one. Beafs were also sent by him to the offer commanding them; and he was particularly cautioned to be on his guard a caution, however, which he

were also sent by him to the officer commanding them; and he was particularly cautioned to be on his guard a caution, however, which he to be on his grand a caution, however, which he disregarded, for shordy after, the natives made a general and successful ettation them from the wood,—(wo of the rew that were in the july boat, had just time to show of. When out of reach of the arthors, they had by the took on bhard three of the crow that had saved the large in the water. The whale boat department by the Captain, with 16 armed news, supplicating the wat whose of the natives a saved two more of them, the religious of the parameters, with the 'exception at one of the water at the factors about the captain water of the parameters.

The Subscriber offers himself as a Cadate to represent the City of Annapolis the next General Assembly of Maryless respectfully sellicits the votes and lates of his fellow-citizens.

HOBERT WELCH, of Bar

ROBERT WELCH, of Ben. To the Volert of Printe Garies and Anna Arundel Counties, and City of Amapolis

FELLOW-CITIANS

We beg leave to recommend to rose to
tice, JOHN B. BROOKE, Esq. of Upper
Marlborough, as a suitable person to reconsent this district, in the next Congress of the Many Voterne. United States.

THE ELECTION.

By the Steam-Beat Maryland en learn, that Talbot, Caroline, Dorebester, Semerate, and Worcester Counties, have chosen Astelackson Electors.

Prince-George's and Montgomery counties, have also elected Anti-Jackson Candidates

ELECTION RETURNS.

Dr. Dennis Claude, 122-no opposition.

BALTIMORE CITY, Jackson, Anti-Jackion.
S. Heath, 4,431 | H. Niles,

In Anne-Arundel county, Hood & Stevert, the Anti-Jackson candidates have been elected without opposition.

Hager's-Town Mail-Extra

Hager's Town, Sept. 6, 1881.

Washington County—good old Washington has gone for JACKSON.

The Jackson Electoral Candidates are elected by a majority of mote than THREE HUNDRED votes—well done good old Washington worthy of the name. ington-worthy of the name. FREDERICK COUNTY.

Our accounts from this county are that the returns are all in except Hauver's Dulrid, which usually gives a Jackson majority of free 130 to 160 except this district; the Clay ticket is about 120 ahead-the result will be

a cluse one in this populous county—the pro-bability is, that the Jackson ticket is elected-PRINCE GEORGE'S COUNTY. | Jackson. Anti-Jackson. | Sometrille Semmer.
