LIBERIA.

Jas. McIntosh, to the Secretary of the Navy, dated ... U. S. Schr. Ponpoise.

Island of St. Thomas, February 19, 1833.

"I have the honour to inform you that I an-chored in this port this morning in 28 days

s rapidly increasing.
... My time at the Colony, as you will readily perceive, was too limited to afford me in opportunity of judging correctly of the improvements and present state of the colo-

It was reported in London on the 2d ultimo that important dispatches were sent off by Lord Palmerston to the English Consul at Oporto, and Lord Wm. Russel at Lisbon, relating to the measures the British Government intended adopting. Great hopes were entertained by Don Pedro's party, that Lord Palmerston had at length agreed to put an end to the struggle, and acknowledge Hoppa Market Palmerston had at length agreed to put an end to the struggle, and acknowledge Hoppa Market Palmerston had at length agreed to put an end to the struggle, and acknowledge Hoppa Market Palmerston had at length agreed to put an end to the struggle, and acknowledge Hoppa Market Palmerston had at length agreed to put an end to the struggle, and acknowledge Hoppa Market Palmerston had a length agreed to put an end to the struggle, and acknowledge Hoppa Market Palmerston to the English Consul at this obedience.

The Dutch and Belgian question seems to remain in statu quo. The only article we nolegany county;
Also, a bill, relating to appeals from the 25th January the Dutch Council of Ministers assembled. The King presided in person. The last despatches from London was the sub-

cour Government requires that the prisoners and ships be previously released. It appears be previously released. It appears by the last accounts from London, that the prisistore to act definitively upon all the business, which it appears to us to be material of its upon at the present session by that day. We therefore, with the concurrence of your whole body, propose to fix on that day, the purpose of closing the present session by the graphs of the present session by the present session by the present session by the present session by dipurement. Mr. Merrick moved that so much of the and English vessels, as soon as their govern-

The following account of a great battle between the armies of the Grand Sultan, and The bill reported by Mr. Hope, supplementary to an act, passed November session, 700, chapter 68, concerning persons holding offices of profit and trust under the Unitary to an act, passed November session, 700, chapter 68, concerning persons holding offices of profit and trust under the Unitary of States Government.

d. A supplement to an act to amend and short and act passed at December tession, discounting and the control of the former short and the properties of the former short and the gives up his case as desperate, and does not sentine to excite the people's minds by artificial means, lest he should not be able to mattee on the coloured population, to recalm them agam, and keep them within bounds. The unfortunate result of the battle of Koniah, and the captivity of the Grand Vizier, leaves the capital without means of defence. There are still, perhaps, 30,000 Tur-kish troops dispersed in Asia Minor, and 10, 000 regulars in reserve, but their spirit does to correspond with the threatening danger, nor is there any able leader possessing suffi-cient self-confidence, and who is considered as able to restore good fortune to the stand-ards of the Suitan. Red-chid Pacha was the only man possessed of these qualifications. His former good fortune has deserted him, and gone over to his younger adversary. He fought valiantly, and when his defeat was decided, devoted himself to death, which, howstreet from a letter from Lieut. Com'dg. defiles of Karaman to attack him there. measures were nearly as follows:—the main body of the Saltan's troops, about 42,000 in rumber, chiefly Albanians, and 500 of the Grand Vizier's household troops under his may be raised to great advantage for improve own command, were to make the principalate ment or officivise, tack on the centre of the Egyptians, while the Turkish cavalry divided into two corps of rom Mesurado and 10 from the Coast of A- 6,000 men each, was to engage the wings

improvements and present state of the colonists. They appeared, however, to be governed by good and salutary laws; they are meral in their habits, kind and hospitable to strangers, improving in commerce, adding to their domestic comforts, and increasing in walth. There is a difficulty they contend against which I deem a very serious one; it against which I deem a very serious one; it against which I deem a very serious one; it against who have just been emancipated, never before compelled to provide for them. selves, and without the necessary means of troops defended himself to the utmost, till the payment of the whole purchase money, a decime elapses that they are provided for by the Colony, become paupers on the more industrious as the invariance of the colony, become paupers on the more industrious as the invariance of the colony, become paupers on the more industrious as the invariance of the colony, become paupers on the more industrious as the invariance of the colony, become paupers on the more industrious as the invariance of the colony to the colony, become paupers on the more industrious as the invariance of the colony to the colony to the colony, become paupers on the more industrious as the invariance of the colony to the colon the Colony, become paupers on the more inthat even now, if the Turkish troops in Asia
distrious, or die in many instances from starMinor could be assembled quickly enough,
vation." they might be compelled to make a most dangerous retreat. But they need not fear

TEN DAYS LATER FROM EUROPE:
The Packet ship Caledonia, Capt. Graham, arrived at New York on Sunday, bringing London and Liverpool papers to the 4th ult. being ten days later than the information furnished yesterday by the Silas Richards. We copy the following summary from the Gazette of Monday, being the only New York paper received.

JOHN HILLEN, Trustee.

**There is no genius or spirit in the Councils of the Sultan; meantime the Emperor Nicholas is acting with the greatest magnanimity. Count Murawieff is gone to Alexandria to try to make peace, and is to threaten Mehemet Ali with the displeasure of the Emperor, who will consider him as a zeholation. of Monday, being the only New York paper Emperor, who will consider him as a rebel received.

It was reported in London on the 2d ultihis obedience.
