ABLE CONVENTION FOR THE STATE OF MARYLAND.

The following is a copy of a Circular about the same, addressed to the Reverend Clergy and the Societies of our State:

Baltimore, March 2d, 1833.
Dear Sir:
The Young Men's Bible Society of this city, in connexion with other Societies, has recently commenced a second time to supply destitute families in our state with the Bible.

In the general supply of the state a few years since, there was often found a great deficiency in our operations; in consequence of which the work was not as thoroughly accomplished in all cases as could be desired. Having learned some of the reasons for this, we are of opinion, that a little timely attention and exertion, on the part of our friends, will not only be avoided in the present undertaking, but will insure a regular and permanent supply of the Sacred Scriptures to every destitute household in our state.

In view of this contemplated re-supply, it has been thought by some of the friends of the cause here, that it would be extremely advantageous to establish such uniform plan operations throughout the state as would be the harmonious and efficient co-operation of all. For this purpose it has been suggested that a BIBLE CONVENTION FOR THE STATE OF MARYLAND be held in the city of Baltimore on the first day of May, to which every Christian congregation, Bible Society in the state, and that part of the District of Columbia lying north of the line, shall be invited to send one or more delegates, without regard to age; as it is our expected no desired that the work should devolve exclusively upon the young of Maryland. The Society we represent at the organ of this call upon our brethren throughout the state, and we hope it will be fully responded to by those of every age and condition in life. When infidelity dares to show its hideous front, and stalks among us in open day; or its more devious, but not less dangerous shape, attempts to covert those precious articles of our holy religion which are alike the refuge of the sinner and the consolation of the saint; surely it becomes the Christians of America, to take the time, and make and keep their land a land of Bibles.

Many important suggestions are expected from the serious attention of the Convention, and its proceedings cannot fail, we think, to be regarded with no ordinary interest. It will prove a salutary example to the sister States of our confederacy, and by the Divine blessing must give a powerful impulse to the cause throughout the Union. It is believed that it will be numerously and ably attended, affording gratifying evidence to our brethren abroad how much the Christians of Maryland love the truth and simplicity of the Gospel, and how deep is the anxiety they feel to see our country blessed with the heavenly boon—feel assured that no Bible Society or congregation of Christians within its boundaries, consent to remain unrepresented in a body assembled for the avowed and only object consulting upon the great interests of our situation in the wide dissemination of Sacred Scriptures. Let us then meet in the name of our common Lord and Saviour, amidst the cordial interchange of our friendly greetings, present to our country and our world a spectacle so solemn, so sublime, so instructive, as that of an assemblage of Christians, of every sect and denomination—sanctifying for a season their differences at the foot of the Cross,—the circulation of the BIBLE, without note or comment, their holy bond of union!

It is respectfully requested that this letter be admitted to the congregation under your pastoral charge, who are hereby invited to enroll more or less delegates to the proposed convention as early as convenient. You will oblige us by immediately communicating the result to our Corresponding Secretary, in behalf of the "Young Men's Bible Society of Baltimore," we have the honour to be very respectfully, your obedient servants,
WM. P. LEMMON, President.
G. W. JONES, Corresponding Sec.

All Editors throughout the state of Maryland and the District of Columbia, are respectfully requested to give the above notice insertions in their respective papers.

NEW, CHEAP AND POPULAR PERIODICAL.

WALDIE'S SELECT CIRCUATING LIBRARY.

The striking features of this periodical are, the books are published in a form which allows their being carried by mail, and at a rate so moderate, that every intelligent educated person in our country can procure them. The publisher receives from England all the new books of merit, and these, selected from the best of the best authors, are like-wise contained in the same age and at the same price. The eighth number contains a treatise by Mr. Vigne, on the subject of the "Bible," which will be printed in the "Library" for a short time only. This number of prices the publisher, with the facility of transportation by mail, will be sufficient to induce those who receive the "Library," to use some exertion to extend the circulation of the work in their respective neighbourhoods, as, if encouraged hereafter, as he has done, it is his intention to lay before the American public in this form all the best books which have been published in London.

The price is five dollars for 52 numbers, which will contain as much matter as 1240 pages of three volumes of Reed's Cyclopaedia. This volume will comprise at least from twenty-five to thirty entire works, printed on good paper, and with the same amount of back work. It will form two volumes of 400 pages each, well worthy of preservation for reference, and will be added to every public and private library.

The publisher has in constant readiness, for the purpose of supplying good reading to a family and their acquaintance for a whole year.

The gentleman who makes the selections for this periodical, to literary taste and education, has, in a situation, facilities for knowing what is popular and of high reputation possessed by few; to this he adds a proper sense of the responsibility he has assumed in entering for an extended and moral community. The publisher therefore confidently recommends the circulating library to heads of families, in which they need have no fear of introducing into any circle.

The ensuing number will contain a highly popular novel, by the English Optimist.

ADAM WALDIE,
Printer, near Seventh, under the Appellate Library, back of the Arcade, where subscriptions will be gratefully received.
