BELLES LETTRES.

THE JOURNAL

A NEW AND STRIKING CHARACTER ADDED TO WALDIE'S CIRCULATING LIBRARY.

THE Proprietor of this work, anxious to gra-tify his readers to as great an extent as his

1. Early reprints of the reviews and notices of new books, from the weekly and monthly periodical press of London, &c. These reviews will be carefully selected with reference both to imparting correct information respecting such new books as are reprinted in America, and to convey literary intelligence in regard to and to convey literary intelligence in regard to work, which tarely find their way across the Atlantic. As great exertions will be used to make this department instructive and entertaining, the proprietor is confident that it will be considered an important addition, by means of which his numerous subscribers will frequently savid the research of the constitution quently avoid the expense of purchasing such books as are printed on the calculation that their titles or the reputation of their authors will sell the edition. This part of the Journal will embrace a considerable amount of extracts from new books of travels, memoirs, biography. novels, and in fact present a bird's of new publications, early diffused through the

The London Literary Gozette will be culled for this purpose, while the "Critical Notices," of the London Metropolitan, the Monthly, New Monthly, the Gentleman's, Blackwood's, Tait's, Edinburgh, Fraser's, and other Maga zines, already regularly received by the editor, will be freely used.

2. Varieties, embracing literary anecdotes, new discoveries in science and the arts, sketch es of society and manners abroad, literary and earned transactions, short notices of new books, and every species of information interesting to lovers of reading, with occasional specimens of the humourous departments of the good taste, and are now published in no other ournal in America.

S. A regular list of the new books published

and in progress in London and America 4. Occasional original notices of new American publications, with extracts embracing their prominent features of excellence or de

VINo additional charge will be made for this great increase of reading matter. It will he contained on the pages of the cover of the Library, and therefore subject subscribers who receive their numbers by mail to no additional

Several applications having been made to ascertain the manner in which the original de-partment of notices of new books will be con THAT the subscriper hath obtained from the Orphans court of Saint Mary's county, in Maryland, letters testangentary on the personal estate of Mary Dyer, labs of St. Mary's county, ty, decrased. All persons having claims a gainst the said decrased, are pereby warned to exhibit the same, with the voorders thereof, to the subscriber, at or before the 13th day of February 1834, they may otherwise by law he assored of two things: First—books shall not be noticed the next day after they are received; and, secondly, they shall not be reviewed be fore they have been read. We have no royal road to puffing, and will be the less likely, therefore, to fall into the error of an unlucky wight, who, in his anxiety to be the first to blow the bellows of criticism, read the preface only the beliows of criticism, read the preface only of a duodecimo, and gravely entered his approbation of two chapters which, unfortunately for his critical acumen, had been omitted, while the prefatory reference to them had been, by mistake, retained! This predicament was worse than that of the London editor, who worse than that of the London editor, who criticised some passages of Cooke's acting, and found when he rose next morning, and his paper was all over London, that the play had been postponed.

RICHARD I. JONES. been postponed.

For the rest, time must develope our course day of April next, they may otherwise by law be excluded from all benefit of the said estate. Given under my hand this 30th day of April 1833.
