LAND FOR SALE.

THE subscriber offers at private sale his Tract of Land, near the city of Annapolis, containing about Eight Hundred Acres of Land, more or less. This land adjoins the Farm of the late Charles Carroll of Carrollton, Esq; and is bounded on one side by Severn River, and Creek, constituting good landings for vessels to take wood from the shores; there are on this land an almost inexhaustable quantity of wood, principally Pine, intermixed with Oak and Hickory; it has been estimated that thirty thousand cords of wood may be cut from this land for Market, and from its proximity to the different landings upon the river, will make it a desirable property to Gentlemen engaged in the wood business; or Factories requiring this most indispensable article. The improvements upon this estate are indifferent, the soil is well adapted to the growth of Indian Corn, Rye, and fine Tobacco may be made upon it. Any person who may be inclined to purchase, is invited to view the premises; and the terms, which shall be accommodated, can be known by application to me on Elm Ridge, near Ellicott's Mills, or to Robert Welch, of Ben. in the city of Annapolis, who will at any time show the premises.
