Warnland Wazette.

ANNAPOLIS: Thursday, March 27, 1884.

LIBERIA. Those who are anxious to promote the cause Those who are anxious to promote the cause of Education in Liberia, and of Christianity in Africa, are respectfully informed, that on the 20th of May next, a FAIR will be held at Cedar Park for those objects. Friends are invited to attend, and any continutions will be thankfully received.

Mr. GREEN,-You will please say through your paper, that a great favour will be con-ferred on the community, by any person who will discover and make known, to any Justice of the Person in American of the Peace in Annapolis, the person or per-sons who were engaged most wantedy in breaking some of the Windows in the Courthouse on Sunday evening last. It is light time that legal measures should be taken for the punishment of such offenders, and I have ne doubt but that the proper authorities would give a hard-some reward for their conviction? St. John's College. Query. Should not our ponce be very vigi-

ANNUAL REPORT OF THE MANA-GURS OF THE FEMALE ORPHAN SO CIETY OF ANNAPOLIS. To the Female Applicat Asystem of the city of

.Innup lis.

The managers of your institution, in laying

before you their sixth annual report, beg eave first, to congratulate you on the encourage ment, which year after year, his here ex-tended to tour efforts for the promotion of the best welfare of the nearly and destitute children of pove ty committed to their charge They receive from it the stimulating hope. that He who numbers the very names of our head-" has been preusen to accept their humble efforts, and to acknowledge struments in fulfilling his promise of protec

A legislative act has empowered them to bind out until the age of a chiven the Ooph and received into the Asylum, thereey extending to them a two-fold blossing, by securing to them a moderate compensation for the servi-ces of the two last years of to a appendiceship, and at the same time throwing around them the mantle of protection and ariently vignance at an age when these are all suppo-

A SCENE AT SEA.

A melanchuly story is told by a correspondent of the Albany Evening Journal, recently from Europe. It appears that before the vessel in which he took passage left the port New York, application was made to her the streets attending to their own concerns, Coptain by a young Englishman, for the station of Second Mate. He was unable to obtim the bertie, and afterwards shipped as a were told by the white inhabitants, who treat common satior. Before he was many days at ed them with the most marked politeness, that sea it wis ascertained that he was a sland lifthey attempted to chastise them, they would hobber" and no sallor at all, and the officers of the vessel as well for mischief, as in pure or two several of the slaves returned to then the met for the imposition practised upon them, frequently ordered him to the highest don, and soliciting in the most humble manner of the meanmast to do some trilling serpoint of the maximust to do some trilling serior to return to the United States with them, tion of eighteen months during which is stated in Baltimore, completed his studies here, which they bound on the states with the view, which they bound on the sawkward at the masters than surgeons at the proof combined. It appears at an examination of army surgeons at proof to the proof combined first on the list out of proof the proof combined first on the list out of the masters then waited on the American consultant Englishman lost of the proof the proof to the same of th

ZENS AT NASSAU, N. P.
The picket brig Encomium, Sheffield, from Charleston for this port, with passengers and 45 slaves on board, when 56 hours out. was wrecked on the N. East part of Abaco reet. The passingers and crew amounting in all to sixty nine souls, after being on the wreck six hours in a suffering condition, were mabled to reach the shore in safety through the humane exertions of some poor fishermen desolate spot four days and nights, subsisting during that time on rice that was saturated out is salt water, and such fish as they could catch. They were then taken by the wreckers to Green Tortle Kar and formation and supporting prisoners in jail, severally endorsed, will pass, ordered to be engroses to Green Tortle Kar and formations. living on the island. They remained on this Nassau, N. P. where the inhospitable shores of they arrived on the 11th ult. Soon after their arrival, they were boarded from the shore by a boat under the command of one Thomas Pindar, visiting health officer in the ry to an act for the preservation of wild fowl, sergice of his Britannic Majesty, who came in the waters of Swann Creek Spisutia narfor the purpose of ascertaining whether they were in a healthy condition. He was informed by the passengers that they were in want of the common necessaries of life, that they were worn out by fatigue and loss of rest, and respectfully requested him to wait on the Governor and obtain permission for them to He left them with the remark that perhaps they might hear from him shortly Soon after, another boat came alongside, having on board one Alexander Macvey, his Majesty's poart one Alexander Macvey, his Majesty's searcher of the port, who seized, in the name of the King, 45 negro slaves, the lawful property of American citizens. He then took his departure, and Pindar returned saying that they would not be permitted to land-until the next moraing between ten and eleven locates. The passengers remonstrated with that they had been living on yield water for several days at severally passed:

Also, the bill for the benefit of Thomas we stated that the feish memory and stated that they had been living on yield water for several days at severally passed:
