vard on that side, whilst that on the west side, which carries the eye over the city of Washington in that direction, and especially along the Pennsylvania Avenue, exceeds any thing of the kind which I have ever seen.

The cost of this immense building, with all and cost of this immense building, with all its farniture, Library, &c. including the expenditure in improving the grounds around, and enclosing them with a high iron fence, has exceeded, if I mistake not, the sum of three million of dollars.

But interesting as this building is in itself, its asset to be an object of regard when com-

it ceases to be an object of regard when com-pared with what it contains. Here assemble every year those bodies of men upon whose deliberations not only the happiness of millions of our fellow citizens, but also the hop s of the world, as it regards the success of our grand experiment, to determine whether mer can be governed by republican institutions. Probably there never was a collection of men

Forever lost in sadness!

Alsa's when youth, in smiles arrayed.
Can'e tripping forth with pleasure.
Then jortal rousel my heart surveyed.
The fastly waning treasure!
And when the religioning flowers appeared,
Yeld them my bosom sumbered:
Not once the tright illusion feared,
Not dreamed my days were numbered!

Nor dreamed my days were numbers.
Too oft I beard that mortal life.
Was but a shale of even;
And blest repose from mortal strife.
Was only found in Hessen!
But walle the youthful smiles of bliss.
Around my heart were cleaving;
I told my so it that troths like this.
Were hardly worth believing!
But now like assenting!

But now, like evening's rainbow has which joyless twilight covers. The scene is tading from my view, And death around me hovers!

And death around

Farewell thou sheating earth below,

Thou only bod'st to sorrow;

Thy beans, that shine so brightly now,

blish set in shade to-morrow;
