with the car, which struck the ocean and with water. My car being of open wickled to rise clear, but it was drawn with ofer that the water would not run out. secured at 6 h 37 m, and left me parminered in water. Judging it diffi nd d agetous to continue as far as Cope in that situation, and seeing a sloop to leward of me and within 2 of a mile sheet which I carry to fold the healloon

my flig. I had spread as much as possi my car being so far in the water that she then they caught up a very stout line on, and the line drawing from mast head, and me up 300 feet, when I descended

mpletely immerged in water. A second time it was carried up in like "er-and when about 300 feet high a flaw wind upturned the balloon so as to exhaust water half a minute, though I had on a om elastic life preserver, which Mr. Dorr, leud me. Yet I was so entangled with the ords that 30 seconds elapsed before I could the surface, I was comfortably resting myself on for preserver, when Captain Spaulding, eachr. Miner, of Thomastown, came to the small boat and took me and the ae-

CRIME AND ITS CONSEQUENCES. i 1833, the British hilg Active ar edat Philadelphia, and brought, among o essengers, a young Englishmin. named min, who disembarked without a cent of stery in the world, and possessing nothing lie but the clothes he stood in. A week afrhis arrival, he was seen in the market withnt sheet, stockings, hat or coat, and with
ally eas sleeve to his shirt, and gnawing a
mach of radishes. Yet such was the activiyof his disposition, and the faculties afford
him in the city of brotherly love for the
inslay of his active-nature that he soon fur
inhed himself with clothes, money, jewels,
act, boarded in a hotel, and kept the best of
many. He went ou to Stamford, Conn.
The has stopped awhile, and figured some-
