A ho bete it be. THE BEREAVED SISTER.

BY G. D. PARATION. ne spring of 1824 I contracted an acintance in a city of the South, with a genan who had removed from England to country, with two small children, the one of ten, and the other a girl of nine r, of eg s-These children were the most elebeing, Lever saw. Their extreme beautheir deep and artless affection, and their grent bursts of childish and innocent mirth per them as dear to me as if I had been the epartion of their infancy. They were here in each other, and in the whole world or and nature around them. I had known family but a few months, when my friend compellet to make a sudden and unex ted royage to South America. his motherless children behind him, and was on the point of embacking for Liver . I promised to take them to their rela-

departure was delayed two weeks. Dur is the little ones that had been consigned my tharge. For a few days they were penand made frequent inquiries for their at father, but their sorrows were easily angels and regret for his absence changed of pleasant auticipation of his return ordinary sorrows of childhood are but endinary sorrows at children which vanish-

It was a scene of beauty, and my re of a young bird in apringitine. It seem in truth, as if man's control had stopped to the shore, that was retreating behind us, it left the world of waters to give back the of the upper skies, as purely and peacey as at the first holy subbath of creation be distant hills bent their pale blue tops he waters, and, as the great Sun, like the ze of his Creator, sunk in the west, suc size shadows of gold, and crimson, and came floating over the waves, like s from a fairy land. W. My young compan-gazed on these scenes steadily and sil grand when the last tints of the din twere melting into shadow, they to sther a hinds, and a few natural tear forth as an adjeu to the land they had

after sonset. I persuaded my littl a returned to look out again upon the O In about half an hour, as I was stand masingly and apart. I felt my hand gent pressed, and on turning round saw the grikad stolen alone to my side. In oments, the evening star began to twin from the edging of a violet cloud. At it gleamed faintly, and at intervals, by it came brightly out, and shone like y thing upon the brow of the evening. That my side gazed upon it, and hailed ha tone, which told that a thought of rail was at her heart. She increased with was at her heart. She inquired wit plicity and eagerness, whether, in the fi to which we were going, that same brigh would be visible, and seemed to regard
