DRAWING ANNOUNCED.

VALUABLE REAL AND PERSONAL PROPERTY,
TO BE DISTRIBUTED IN SHARES,
IN pursuance of the provisions of an act of the General Assembly of Maryland, passed at December session, 1833, to authorize **ANDREW McLAUGHLIN** to distribute his estate BY LOT.

This property is among the most valuable in Maryland, situated in the prosperous, healthy, and romantic village of Bliscott's Mills, ten miles from the city of Baltimore, upon the Western Turnpike, and 15 miles upon the Baltimore and Ohio Rail Road, where all the cars, to and from the west, stop to breakfast and dine.

PATAPASCOTT HOTEL.

With all the new improvements, and a highly ornamental Garden, a beautiful Gothic Cottage, and other buildings. Twenty valuable building Lots, with numerous other shares of personal property, consisting of Plate, Carriages, Harness, Piano, Fortes, Books, Rich Furniture, and Old Wines, all valued at \$38,430, and divided into **FOUR HUNDRED** SHARES, subject to auction.

The property has been valued by three Commissioners appointed by the Treasurer of Maryland, and the valuations should be indulging and bonds with approved security given to the State for double the amount, that the law may be faithfully complied with. It is simply a distribution of property at its value, to reimburse the expenditure. It is well worth risking **TEN DOLLARS** for such a Capital as this small scheme presents it is larger than a million Capital, with twelve times the number of Tickets to contend with, and no 15 per cent off.

- | DESCRIPTION | AMOUNT |
|--|----------|

| 400 Shares, all free from discount | \$ 3,940 |

Those who wish Tickets are advised to make early application. The scheme is quite small, containing but 5845 tickets, and this will be the only distribution offered.

The price of a share is but \$10, which may draw property now worth \$36,500, increasing every day in value, free from discount, and with an unquestionable title.

A. McLaughlin invites all his friends, far and near, to venture a small amount in the distribution of his property, which is a safe, easy case, and includes all his estate. Do not wait, delays are dangerous. He is anxious to close the scheme and return to Baltimore.
