THE SACRED CLASSICS, OR CABINET LIBRARY OF DIVINITY: With an original introductory Essay by each Author.

EDITED BY THE Rev. RICH'D. CUTTMOLE, B. D. AND THE Rev. HENRY STEBBING, M. A.

Another country is so rich as England in Sacred Literature. Her greatest Poets and Philosophers have shared with her Divines, in setting forth and establishing the truths of Revelation, which her Divines have distinguished also by the copiousness and the depth of their commentaries.

The commonness of character thus given to the standard Theology of England has, thirdly, varied in character, and accordingly presented from its origin into the present day, a variety of opinions, and thus the whole series of our Sacred Classics, is a well of truth and insight, to be drawn upon by the general reader as well as the most learned student.

It is not to be supposed in this collection, that the best works of the most celebrated writers, which have been devoted to the study of the sacred Scriptures, whether in their original or translated form, or the immortal interests of individuals, or to the order and well being of the Church, or to the permanent stamp of general opinion, or to the general reader as well as the most learned student.

It is the desire of the Proprietors, in undertaking this Cabinet Library of Divinity, to present the collection to the public at such a price, that he who purchases at present the cheapest of ephemeral publications, may, for the same money, possess himself of works which cannot fail to afford him guidance and support in the highest exercises of his faculties, and under every vicissitude of life.

The work will be handsomely printed in Folsio 8vo, on good paper, cloth-bound, neatly bound in Morocco Cloth, lettered and published in the first volume of about 400 pages each on the first day of every month.

Price, Three Shillings and Sixpence: Forming the cheapest series of works ever offered to the public.

WILLIAM HOOPER, Oct. 4.—3m.

DRAWING ANNOUNCED.

VALUABLE REAL AND PERSONAL PROPERTY, SOON TO BE DISTRIBUTED IN SHARES.

IN pursuance of the provisions of an act of the General Assembly of Maryland, passed at December session, 1833, to authorize ANDREW McLAUGHLIN to distribute his estate BY LOT.

This property is, among the most valuable in Maryland, situated in the prosperous, healthy, and romantic village of Ellicott's Mills, ten miles from the city of Baltimore, upon the Western Turnpike, and 13 miles upon the Baltimore and Ohio Rail Road, where all the cars, to and from the west, stop to breakfast and dine.

A sufficient number of Tickets have been sold to warrant the assurance to the public, that it will positively be drawn TWENTIETH DECEMBER. Should the balance of the Tickets be sold before, it will be drawn sooner.

It consists of the large and extensive improvement long known as the

PATAPUSCO HOTEL.

With all the new improvements, and a highly ornamental garden, a beautiful Gothic Cottage, and other dwellings. Twenty valuable building lots, with numerous other shares of personal property, consisting of Plate, Carriages, Horses, Piano Fortes, Books, Rich Furniture, and Old Wines, all valued at \$58,000, and divided into FOUR HUNDRED SHARES, subject to no discount.

It is now drawn upon the plan of the old lottery, and tickets are sold at the price of one dollar, and all drawn in one day, under the superintendance of the Trustees, according to the Act of the Legislature. They will certainly be the same when drawn.

The property is to be valued by three Commissioners appointed by the Treasurer of Maryland, that no speculations should be indulged in, and no bonds with approved security given to the State for double the amount, that the law may be faithfully complied with. It is simply a distribution of property at its value, to reimburse the expenditure. It is well worth risking TEN DOLLARS for such a Capital as this, and the more presents it is larger than a married Capital, with twice the number of Tickets to content with, and no 15 per cent off.

Many of the small shares will be paid in cash, if required.

SCHEME:

1 Share, consisting of the PATAPUSCO HOTEL, with the new addition upon the Rail Road, the large stone Stable, Carriage House, Ice House, and the splendid garden, forms the grand capital prize, valued at \$50,000.

1 Share, a new and convenient three story dwelling, under rent of \$225.

1 Share, a large Cottage, a beautiful Gothic building, situated upon a ledge of rocks, commanding a delightful view of the village and factories; valued at 5,000.

1 Share, a new and convenient three story dwelling, under rent of \$225.

4 Shares, valuable building Lots at \$800 each, 3,200.

6 do. valuable Building Lots, at \$750 each, 4,500.

10 do. valuable Building Lots, at \$200 each, 2,000.

377 Shares of Personal Property, ranging in value from \$250 down to \$10, 6,600.

400 Shares, all free from discount \$58,400.

Those who wish Tickets are invited to make early application. The scheme is quite small, containing but 584 Tickets, and this will be the only distribution offered.

The price of a share is but \$30, which may draw property worth \$50,000, increasing every day in value, free from discount, and without a questionable title.

A. McLaughlin invites all his friends, far and near, to venture a small amount in this distribution of his property, which is a lottery case, and includes all his estate. Do not wait, delays are dangerous. He is anxious to close the scheme and return to Baltimore.
