**DRAWING ANNOUNCED.**  
**VALUABLE REAL AND PERSONAL PROPERTY,**  
 SOON TO BE DISTRIBUTED IN SHARES,  
 IN pursuance of the provisions of an act of the General Assembly of Maryland, passed at December session, 1833, to authorize ANDREW McLAUGHLIN to distribute his estate BY LOT.

This property is among the most valuable in Maryland, situated in the prosperous, healthy, and romantic village of Ellicott's Mills, ten miles from the city of Baltimore, upon the Western Turnpike, and 13 miles upon the Baltimore and Ohio Rail Road, where all the cars, to and from the west, stop to breakfast and dine.

A sufficient number of Tickets have been sold to warrant the assurance to the public, that it will positively be drawn TWENTIETH DECEMBER should the balance of the Tickets be sold before, it will be drawn sooner.

It consists of the large and extensive improvements long known as the **PATAPSCO HOTEL.**  
 With all the new improvements, and a highly ornamental Garden, a beautiful Gothic Cottage, and other dwellings. Twenty valuable building Lots, with numerous other shares of personal property, consisting of Plate, Carriages, Horses, Piano Fortes, Books, Rich Furniture, and Old Wines, all valued at \$35,450, and divided into FOUR HUNDRED SHARES, subject to discount.

It is now drawn upon the plan of the old Maryland Lotteries, viz: The numbers will all be put into one wheel, and the prizes into another, and all drawn in one day, under the superintendence of the Trustees, according to the Act of the Legislature. They will certify the same when drawn.

The property is valued by three Commissioners appointed by the Treasurer of Maryland, that the speculations, that are usually made in the State for the purpose of the lottery, may be the more judiciously computed with. It is simply a distribution of property as it is, value for value, and no more. It is well worth making TEN DOLLARS for such a Capital as will secure presents twice as large than a small Capital, and twice the number of Tickets to contend with, and no 15 per cent. loss required.

Many of the small shares will be paid in cash, as required.

**SCHEME:**

1 Share, consisting of the PATAPSCO HOTEL, with the new addition upon the Rail Road, the large Stone Stable, Carriage House, Le House, and the splendid Garden, forms the grand capital prize, valued at \$30,000	
1 Share, a new and convenient three story dwelling, under rent of \$225.	3,000
1 Share, a single Cottage, a beautiful 5 room building, situated upon a large tract of rocks, commanding a beautiful view of the village and factories.	2,650
4 Shares, valuable building Lots at \$300 each.	1,200
6 Shares, valuable Building Lots, at \$250 each.	1,500
10 Shares, valuable Building Lots, at \$200 each.	2,000
377 Shares of Personal Property, ranging in value from \$250 down to \$10.	6,600
400 Shares, all free from discount	\$38,400

Those who wish Tickets are advised to make early application. The scheme is quite small, containing but 3845 tickets, and this will be the only distribution offered.  
 The price of a share is but \$10, which may draw property now worth \$30,000, increasing every day in value, free from discount, and with an unquestionable title.

A. McLaughlin invites all his friends, far and near, to venture a small amount in this distribution of his property, which is a solitary case, and includes all his estate. Do not wait, delays are dangerous. He is anxious to close the scheme and return to Baltimore.
