

**GREAT NATIONAL WORK. AMERICAN MAGAZINE**  
Of Useful and Entertaining Knowledge. To be illustrated with numerous Engravings by the Boston Engraving Company.

The success which has attended the publication of the best Magazines from the English Press, has led to preparation for issuing a periodical more particularly adapted to the wants and tastes of the American public. While it will be the object of the proprietors to make the work strictly what its title indicates, it will, nevertheless, contain all articles of interest to its patrons which appear in any Magazine.

Extensive preparations have been entered upon, both with artists and authors, to furnish a large part of the Union, drawings and illustrations of every subject of interest, which the publishers confidently believe will enable them to issue a work, in contrast to its title, and acceptable to the American People.

The first number of the American Magazine, illustrated with upwards of twenty splendid engravings, will appear on or before the first of September, and the continuation of the work will be published at intervals of two months, commencing with the first of November.

Persons who wish to subscribe, or to send contributions, should address the Editors, at the office of the American Magazine, No. 157 Broadway, New York.

PREMIUMS: A copy of the Magazine for one year, and a copy of the American Magazine for one year, for every copy of the Magazine sent to the Editors, on or before the 1st of January, 1834.

**WALBIE'S CIRCULATING LIBRARY.**

**BUBBLES FROM THE BRUNNENS OF NASSAU.**

A description of the fashionable watering places in Germany, by an old man, will form the commencement of the fourth volume of Walbie's Library.

This will be followed, at an early day, by the Memoirs of Henry Maers de la Tuide, who was confined for thirty-five years in the different State Prisons in France, now first translated into English.

The works published in the current volume, now on the point of completion, are the following:—

Krutzner, or the German's Tale, a novel, by the author of Canterbury Tales.

Memoirs of Sir James Campbell, of Ardinglass; written by himself; a very piquant work, containing anecdotes of most of the distinguished individuals of the last sixty years.

Good Sir Walter; a tale by the author of Family Portraits.

The Broken Heart; a dramatic sketch, from the Italian.

Rome in the Nineteenth Century; in a series of letters written during a residence in that city, by a Lady.

The Deaf and Dumb Page; a Tale.

Anecdotes of the Court of Louis the XIV. by the Duke of St. Simon.

The Black Witch; an Historical Novel, by the author of the Don Quixote &c. &c.

Journal of a Voyage to the Island of St. Helena, by the late Matthew G. Lewis, Esq. M. P. Author of the Monk, &c.

The Curate's Tale, or Practised Villain; from a new work entitled N. J. of the Boston Lib.

The Three W. or Cowper, Lord Chancellor, and Warren Hastings, contrasted, from the same.

A Narrative of the Shipwreck of the Antelope at Bellona, in 1785, and a brief but accurate account of Prince Le Bon.

All the above cost in the "Library" but \$2 50 1/2.

Office No. 207 Chestnut street, below 7th.

Subscriptions to Walbie's Select Circulating Library which is published every week, at \$5 per annum, may be received by

ADAM WALBIE, Philadelphia.

Subscriptions for the above valuable work received at this office.

**PROPOSALS**

to republish the

LONDON, EDINBURGH, FOREIGN AND WESTMINSTER

QUARTERLY REVIEWS,

FOR \$8 PER ANNUM.

THE above Journals are already so well known to the public, that little need be said of their respective merits.

The well sustained reputation of the London Quarterly, not only as an able defender of Tory principles, and the old order of things, but as the warmest and most enterprising of Reviews, will always command the attention of the literary and scientific.

The Edinburgh, celebrated for the vigor, learning and acuteness which its articles display, conducted by some of the principal literary men of the modern Athens, is an equally powerful champion of the moderate Reform party.

The Foreign Quarterly occupies a neutral ground in Politics, and is devoted to continental literature.

The Westminster is but little known in this country. It may be considered as the advocate of the Radicals, and the mouth piece of Benthamism. It represents the principle of a party already numerous in England, and fast increasing in the United States.

The numbers will be put to press immediately after they shall be received from Europe; and will contain the entire matter of the above works; making four annual volumes of upwards of six hundred pages.

They will be executed in as good style, and be printed in a shape but little differing from that of the European editions.

The price will be \$8 per annum, payable three months after the delivery of the first number. The English copies cannot be had for less than \$20. Of the three at present republished, two of them alone cost \$10.

Any individual procuring four subscribers, and remitting \$30 on the receipt of the first Number, will be allowed an additional copy.

**DRAWING ANNOUNCED.**

**VALUABLE REAL AND PERSONAL PROPERTY.**

IN pursuance of the provisions of an act of the General Assembly of Maryland, passed at the former session, 1833, to authorize ANTHONY McLAUGHLIN to distribute his estate BY LOT.

This property is among the most valuable in Maryland, situated in the prosperous locality, and romantic village of E. Cott's Mills, two miles from the city of Baltimore, upon the Western Turnpike, and 13 miles upon the Baltimore and Ohio Rail Road, where all the cars, to and from the west, stop to break fast and dine.

A sufficient number of Tickets have been sold to warrant the assurance to the public, that it will positively be drawn TWENTY-FIFTH DECEMBER. Should the balance of the Tickets be sold before, it will be drawn sooner.

It consists of the large and extensive improvements long known as the

**PATAPSCO HOTEL.**

With all the new improvements, and a highly ornamental Garden, a beautiful Gothic Cottage, and other dwellings. Twenty valuable building Lots, with numerous other shares of personal property, consisting of Pave, Carriages, Horses, Piano Fortes, Books, Rich Furniture, and Old Wines, all valued at \$38,450, and divided into FOUR HUNDRED SHARES, subject to discount.

It is to be drawn upon the plan of the old Maryland Lotteries, viz. The numbers will all be put into one wheel, and the prizes into another, and all drawn in one day, under the superintendence of the Trustees, according to the Act of the Legislature. They will certify the same when drawn.

The property has been valued by three Commissioners appointed by the Treasurer of Maryland, that no speculations should be indulged in, and bonds with approved security given to the State for double the amount, that the law may be faithfully complied with. It is simply a distribution of property at its value, to reimburse the expenditure. It is well worth risking TEN DOLLARS for such a Capital as this small Scheme presents; it is larger than a month's Capital, with twelve times the number of Tickets to contend with, and no 15 per cent off.

Many of the small shares will be paid in cash, if required.

**SCHEME:**

1 Share, consisting of the PATAPSCO HOTEL, with the new addition upon the Rail Road, the large Stone Stable, Carriage House, Ice House, and the splendid Garden, forms the grand capital prize, valued at \$26,500

1 Share, a new and convenient three story dwelling, under rent of \$225, 3,000

1 Share, Angela Cottage, a beautiful Gothic building, situated upon a ledge of rocks, commanding a delightful view of the village and factories; 2,650

4 Shares, valuable building Lots at \$800 each 3,200

6 do. valuable Building Lots, at \$750 each, 4,500

10 do. valuable Building Lots, at \$200 each, 2,000

37 do. of Personal Property, ranging in value from \$250 down to \$10, 6,600

400 Shares, all free from discount \$58,460

Those who wish Tickets are advised to make early application. The scheme is quite small, containing but 5845 tickets, and this will be the only distribution offered.

The price of a share is but \$10, which may draw property now worth \$36,500, increasing every day in value, free from discount, and with an unquestionable title.

A. McLaughlin invites all his friends, far and near, to venture a small amount in this distribution of his property, which is a salutary case, and includes all his estate. Do not wait, delays are dangerous. He is anxious to close the scheme and return to Baltimore.
