The office of the Select Circulating Libra-discovered that there was still appetite the least late of Angel wanting-that many occurrences in the lite- quired by law for the ears world must pissunknown, as regarded ur agency, without an estension of the plan-To establish a furler medium of committateation and supply the desideration, the Journal of Belies Lettres was added; waten we have reason to believe has afforded general satisfaction. The very liberal peromage extended to the Library induced the propriefor to give that grannt msly as an evidence

of his acknowledgments. More extended ex erience has shown ther desiderata which the "Companion" is intended to supply. While reading for the "Library" a large mass of material accumulates on the hands of the editor, of an interesting, entertaining, and instructive description, such as would properly come under the designation of Magaziniana, interspersed with the Reviews from the English Quarterlies. To publish every thing of this nature which we deem desirable would en creach too much on the columns of the "Li beary" designed for books, and yet to pass them by is constantly a subject of regret. To concentrate, therefore, the publication of Library" will be offered to the patronage of with Notes, and an Introductory Essay, by the Rev. Henry Stebbing, M. A the Source, and the public at large. It is believed that with the "Library," the "Journal," and the "Common Library," an acquaintance with the literature of the age may be cultivated as to leave little fur ther to be desired. Being all published from 3d. Receiving Endowments.
the same office, more facility offers for sub4th. Receiving Money in Trust. with, mistakes are less liable to occur, and more readily corrected when they do. The following plan is respectfully submit-

1. The "Companion" will contain the earliest possible reprints of the best matter in the British periodicals.

. 2. It will be issued every fortnight, and the form will be the same as that of the Liprary—each number containing sixteen pa-brary—each number containing sixteen pa-ges—thus, every six months, giving thir-promptly aftended to it left at James Hanter's een numbers, which can be bound with the Hotel, Annapolis, at which place the absert Library at little or no more expense, and ber can be found.
