TO THE VOTERS OF THE CITIES OF BALTIMORE AND ANNAPOLIS AND ANNE ARUNDEL COUNTY.

By a secent act of Assembly, the two Congressional Districts to which you belong have been united, and you will be called upon next October, (and probably sooner) to choose two representatives to the 21th Congress. I offer my. self as a candidate for your suffrages at the next election, and I bug leave to say a few words in explanation of my offering myself in this old-

fashioned manner. It has been attempted here for some years past to present candidates for Congress exclusively through the medium of "party nomination;" but this practice has not yet (thanks to the good sense of the people) become settled, and inclined to think it is becoming and will soon be as odious as it is anti-republican. This bringing out of candidates "by nomination" (as it is called) is in fact nothing more than a man's bringing himself out by getting a few friends to name and endorse him as the nomince of a party, and I cannot see why the good old Maryland custom of a candidate directly offering and o-

enly sustaining himself should be abandoned. Being a nafive of Annapolis, I flatter myself am not unknown in Anne-Arundel, (though I have never been a candidate in that county) and if it shall be my good fortune to be trusted as one of the Representatives of the new double District, it will also be my pride to show that the interests of my native county are faithfully attended to in like manner as those of the citi zens of Baltimore, among whom I live, and to whom I am already indebted for high manifes tations of confidence and kindness.
