The cheapest reprint from English Periodicals ever offered to the public.

se commencement of the fourth volume of Sefort Circulating Libraty Library.

The Library of the fourth volume of the Sefort Circulating Library of the followed ten occidents. Waldie's Library.
The library Massers do let Tude, who was confined to therry-five year in the difdiscovered that there was still something our agency, without an extension of the plan. l'o establish a faller medium of commu icaion and supply the desideratum, the Journal of Belles Lettres was added; which w have reason to believe has afforded general Kenitzner, or the German's Tale, a novel, satisfaction. The very liberal patronage extended to the Library induced the proprietor to give that gratuitously as an evidence

of his acknowledgments. More extended experience has shown o-Good Sir Walter; a tale by the author of the desiderate which the "Companion" is invended to apply. While reading for the "Library" a large mass of material accuracy trains. nteresting, entertaining, and instructive deof letter written during a residence in that scription, such as would properly come uncit, by a Larty.

der the designation of Magaziniana, interspersed with the Reviews from the English Quarterlies. To publish every thing of this nature which we deem desirable would encreach too much on the columns of the "L brary" designed for books, and yet to pass them by is constantly a subject of regret. To concentrate, therefore, the publication of Books entire, Reviews, lists of new works, the choicest contributions to Magazines. &c. &c. &c. the "Companion to Waldie" Library" will be offered to the patronage of the present subscribers and an acquaintance with the literature of the age may be cultivated as to leave little fur-ther to be desired. Being all published from the same office, more facility offers for subscribing, and having fewer people to deal with, mistakes are less liable to occur, and short interval of two weeks between the publication of each number, it is thought too. 1st. Infurance on Lives. will be an advantage over monthlies and 2d. Parchase and Sale of Annuities.

quarterlies. The following plan is respectfully submit-

earliest possible reprints of the best matter in the British periodicals.

2. It will be issued every fortnight, and the form will be the same as that of the Library-each number containing sixteen pages-thus, every six months, giving thirteen numbers, which can be bound with the Library at little or no more expense, and making a better sized volume; and to those who do not take the Library itself, a volume

4. As the work will not be commenced unless a sufficient patronage be obtained, no payment is required at present, only the pame, sent free of postage. Those wishing to support the publication will be pleased therefore to announce their intention as early as possible, as it is intended to commence the work on the first of January next. the issuing of the second number payment will be expected, as its appearance will evince a sufficiency of patronage.

all the really-valuable matter of the English literary and amusing publications may be comprised in this form at a rate of subscription and postage, so triling scarcely to be felt. It will form the cheap at reprint of reviews and magazines ever attempted in the companies of trust lying and being in Ann. Amusing publications may be comprised in this form at a rate of subscription and postage, so triling scarcely to be felt. It will form the cheap at reprint of reviews and magazines ever attempted in the companies of the companies. any country; a comparison with others it were uncless here to enter upon, the 'Library' itself being the best test by which to judge of the difference between an octavo The first number of the American Magazine, idustrated with upwards of twenty splendid engravings, will appear on or before the first of September, and he continued to the first of September, and he continued to the continued to the first of September, and he continued to the first of September, and he continued to the continued to the first of September, and he continued to the leave at present to the decision of his readers. Clubs of five individuals, who subscribe

to the 'Library' and 'Companion' both, will obtain the two for six dollars, the postage (a very important consideration) to the most distant post office, on the two, will be one dollar and ninety-five cents, seventy eight payments, and half that sum for 100 miles or a less distance from Philadelphia, while the same matter, in the usual American reprints of reviews and maga-azines in octavo form would be eighteen dol-lars, and the postage as three to one. We make this assertion advisedly.

D'Subscriptions to the 'Companion,' will be taken either with or without the Libra-

ry.'
The proprietor trusts that his punctuality and exactness in executing his part of the contract in the publication of the 'Library,' will be considered a sufficient guarantee of the completion of his proposed undertaking. ADAM WALDIE.
