NOTICE IS HEREBY GIVEN,

THAT the subscriber has obtained from the Orphans Court of Anne Arundel county, letters of administration with the will annexed, on the Personal Estate of Mary Owings, late of said county, deceased. All persons having claims against said estate, are desired to present them, legally authenticated, and those indebted are requested to make immediate payment. **JOHN RIDOUT, Adm'r. W. A.** April 30—3w

IN CHANCERY,

27th April, 1835. Margaretta Waesche, George F. R. Waesche, Elizabeth W. Waesche, Frederick R. Waesche and Emelia Waesche, infants, by their next friend the said Margaretta, vs. Thomas Maund, and Metta Henrietta, his wife.

IN CHANCERY,

17th April, 1835. The object of the bill filed in this cause, is to obtain a decree to confirm certain leases and contracts of leasing, heretofore reported, and all future leases or contracts of lease, under a decree of this court, and that the same may stand confirmed and avail effectually against the defendants hereinafter mentioned.

The bill states that the complainants heretofore exhibited their petition in this court reciting that by the will of Metta Repold, the complainant, Margaretta was made devisee for life, with remainder to her children, of that part of said Metta's real estate described in her said will as that not otherwise or before in her said will disposed of, where- ever it might be situate, and that the said real estate, so devised and limited, consisted in a large piece of ground situate in the city of Baltimore, which when laid out into lots might be, in such lots, leased for terms of years, renewable for ever, in a manner highly advantageous to all interested in said ground under said devise. That by an act of assembly passed at December session 1831, this court was authorized upon the application of the complainants, to decree that said ground should be leased out on terms for years, renewable for ever, yielding such rents, and subject to such covenants and conditions, as in that behalf this court might approve and finally ratify and confirm.

That this court did decree the leasing of said piece of ground as aforesaid, as authorized by the said act of assembly, and by the decree aforesaid appointed Charles F. Mayer and George F. R. Waesche, trustees, to lease as aforesaid the said ground. That said trustees, after giving bond, proceeded to contract for leasing aforesaid, and duly reported their several leases or contracts therefor to this court, which thus far embrace a large part of said ground, and which have all been finally ratified and confirmed by this court. That the leases or contracts of lease made under said decree by said trustees, are advantageous for all the devisees of said ground, and that it is highly expedient and beneficial for all that they should have effect, and be valid and confirmed as to all the said devisees; and that as to all said devisees it would be advantageous and beneficial that said decree should be executed in respect of the portion of said ground not yet leased or contracted to be leased under said decree. That the children of said Margaretta are the complainants George and Frederick, and Elizabeth and Amelia, and that the only other child of said Margaretta is Metta Henrietta Maund, wife of Thomas Maund.—That the children of said Margaretta Waesche are the children of said Metta Repold.—That in his will said Metta Henrietta Maund is inter- ested in the limitation aforesaid of said piece of ground under said Betta Repold's will, and inasmuch as, which complainants now state, the said Metta Henrietta and her said husband Thomas Maund, were not made parties to the proceeding in the matter of said petition, the complainants to preclude all difficulties which might hereafter arise from the omission to make them parties as aforesaid, are desirous that the said leases or contracts of leasing reported thus far, and all further leases or contracts of leasing under said decree, may by a decree of this court be confirmed and avail effectually against said Metta Henrietta and Thomas Maund, as full Metta Henrietta and Thomas Maund, and conclusively as if they had been made parties to said proceeding, and to said decree; and although it is expedient for the interests of said Thomas and Metta Henrietta, and a just and equitable course on their part to complainants to remove all possible difficulty as aforesaid by a confirmation in the premises as by their own act, without recourse to the aid by their own act of this court, yet the said Metta Henrietta and Thomas have not so acted. The bill also states, that the said Thomas Maund, and Metta Henrietta his wife, reside out of the state of Maryland.

It is thereupon ordered, that the complainants by causing a copy of this order to be inserted in each of three successive weeks served once in each of three successive weeks in some newspaper before the 30th day of May next, give notice to the said absent defendants of the substance and object of the bill, that they may be warned to appear in this court in person or by a solicitor, on or before the 28th day of September next, to shew cause, if any they have, why a decree should not be passed as prayed.

LITTELL'S MUSEUM OF FOREIGN LITERATURE, SCIENCE AND ART.

Price.—Six Dollars a year, in advance—seven dollars and a half, if not in advance. POSTAGE.—Five sheets, under 100 miles, 7 1/2 cents; over 100 miles, 12 cents.

This work will be sent to any Post Office in the United States, carefully wrapped up, upon receipt of five dollars in full payment. A few complete sets are for sale.

ENLARGED SERIES OF THE MUSEUM.

Mr. LITTELL has much pleasure in announcing to the patrons of the Museum, that he has made arrangements for the future publication of the work in a style much superior to the present—and nearly approaching what he has always desired that it should appear in. The circulation of the work is now so large, as to make it important to the proprietor that he should be able to give his whole attention to it. This has hitherto been prevented by the care and labour attendant upon a multifarious and widely extended business. With the view of completing more quickly the publication of Lodge's Portraits and Memoirs of Illustrious and Noble Characters, (a splendid work now in hand)—of effecting a settlement of accounts extending over the whole of the United States—and of making arrangements in all parts of the country for the vigorous prosecution of the publication of the Museum, he has made a contract with Mr. Adam Waldie of this city to print the work, attend to its distribution, and manage all the financial concerns appertaining to it after the present year.

Mr. Waldie is a practical printer, not surpassed in taste by any other in the country; and as he is advantageously and generally known as the publisher of the Select Circulating Library, it is supposed that he will have it in his power greatly to promote the sale of the Museum. He has contracted to issue it promptly, and thus will be corrected the greatest fault which has heretofore attended its management. The changes in the appearance of the work will be as follows:

- 1. It will be regularly and promptly published.
 - 2. Will be uniformly and handsomely printed.
 - 3. On better paper.
 - 4. Will be considerably enlarged.
- As the sale of the work has increased, Mr. Littell has always been desirous of devoting the enlarged profits to its improvement—and although he does not wish the appearance of the next volume to be considered as entirely carrying out his plan, he trusts that the subscribers will be convinced, upon comparing it with any other work, that it is richly worth the price asked for it.

We shall not have satisfied our own wishes, in respect to this work, until it shall be so far enlarged and improved as to make it clear to every purchaser that he will herein receive all that is desirable to an American reader from all the Foreign Periodicals. That we can do so in a single work, by making it contain four or five times as much matter as an ordinary periodical, we have no doubt.—A great part of most of the Reviews and Magazines is composed of inferior articles, and we confidently appeal to those readers of the Museum who have been in the habit of looking over the British Journals, whether they have not already, in a very great degree, satisfied themselves in copying all that was worth preservation.

As the work will now be considerably enlarged, we shall be able more fully to accomplish this object.

In order that he may, by frequent journeys from home, be the earlier able to finish all other business, and devote himself exclusively to the Museum, Mr. Littell has made arrangements with the Editor of Waldie's Library to edit this work after December, 1834. However deficient the proprietor may be in other qualifications, he has always felt so zealous an affection for the Museum that he would not be willing to commit it, even for a time, to the care of another, were he not confident that the facilities, the experience and the ability of the new Editor, will render it more worthy of the patronage of the public than it has heretofore been. No change takes place in the Proprietorship. Philadelphia, April 9.
