**IN CHANCERY**

27th April, 1835. Margaretta Waesche, George F. R. Waesche, Elizabeth W. Waesche, Frederick R. Waesche and Emma Waesche, infants, by their next friend the said Margaretta, vs. Thomas Maund, and Metta Henrietta, his wife.

THE object of the bill filed in this cause, is to obtain a decree to confirm certain leases and contracts of leasing, heretofore reported, and all future leases or contracts of lease, under a decree of this court, and that the same may stand confirmed and available against the defendants hereinafter mentioned.

The bill states that the complainants herebefore exhibited their petition in this court relating that by the will of Metta Repold, the complainant, Margaretta was made devisee for life, with remainder to her children, of that part of said Metta's real estate described in her said will as that not otherwise or before in her said will disposed of, whosoever it might be situated, and that the said real estate, so devised and limited, consisted in a large piece of ground situate in the city of Baltimore, which when laid out into lots might be, in such lots, leased for terms of years, renewable for ever, in a manner highly advantageous to all interested in said ground under said devise. That by an act of assembly, passed at December session 1831, this court was authorized upon the application of the complainants, to decree that said ground should be leased out on terms for years, renewable for ever, yielding such rents, as subject to such covenants and conditions, as in that behalf this court might approve and finally ratify and confirm.

That this court did decree the leasing of said piece of ground as aforesaid, as authorized by the said act of assembly, and by the decree aforesaid appointed Charles F. Mayer and George F. R. Waesche, trustees, to lease as aforesaid the said ground. That said trustees, after giving bond, proceeded to contract for leasing aforesaid, and duly reported their several leases or contracts therefor to this court, which thus far embrace a large part of said ground, and which have all or nearly all been finally ratified and confirmed by this court. That the leases or contracts of lease made under said decree by said trustees, are advantageous for all the devisees of said ground, and that it is highly expedient and beneficial for all that they should have effect, and be valid and confirmed as to all the said devisees; and that as to all said devisees it would be advantageous and beneficial that said decree should be executed in respect of the portion of said ground not yet leased or contracted to be leased under said decree.

That the children of said Margaretta and the complainants George and Frederick, and Elizabeth and Amelia, and that the only other child of said Margaretta is Metta Henrietta Maund, wife of Thomas Maund.—That the children of said Margaretta Waesche are the only heirs at law of Metta Repold.—That inasmuch as said Metta Henrietta Maund is interested in the limitation aforesaid of said piece of ground under said Metta Repold's will, and inasmuch as, which complainants now state, the said Metta Henrietta and her said husband Thomas Maund, were not made parties to the proceeding in the matter of said petition, the complainants to preclude all difficulties which might hereafter arise from the omission to make them parties as aforesaid, are desirous that the said leases or contracts of leasing reported thus far, and all further leases or contracts of leasing under the said decree, may by a decree of this court be confirmed and avail effectually against said Metta Henrietta and Thomas Maund, as follows and conclusively as if they had been made parties to said proceeding, and to said decree; and although it is expedient for the interests of said Thomas and Metta Henrietta, and a just and equitable course on their part to complainants to remove all possible difficulty as aforesaid by a confirmation in the premises by their own act, without recourse to the adjudication to that effect of this court, yet the said Metta Henrietta and Thomas have not so acted. The bill also states, that the said Thomas Maund, and Metta Henrietta his wife, reside out of the state of Maryland.

It is thereupon ordered, that the complainants by causing a copy of this order to be inserted once in each of three successive weeks in some newspaper before the 30th day of May next, give notice to the said absent defendants of the substance and object of the bill, that they may be warned to appear in this court in person or by a solicitor, on or before the 28th day of September next, to show cause, if any they have, why a decree should not be passed as prayed.
